

# RANGE BAG - GREY GHOST GEAR RANGE BAG MULTICAM TROPIC

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Grey Ghost Gear™ Range Bag will get you to the range with the kit that you need for a day on the range and keep it organized and handy. The bag measures 9 inches tall, 20 inches wide, and 7 inches deep. 1260 total cubic inches. It is constructed of 500D nylon Cordura. The strap is generous, padded and contoured to stay on the users shoulder when they have their hands full. It features full adjustability and is easily removed by disengaging the side release buckles on either side. On either end there are zippered pockets sized to contain folded electronic ear pro, range finders, staple guns, or your lunch. On the front of the bag is a zippered pouch that will allow the front to fold out to a handy workstation. Two zippered diagonal pockets are perfect for allen keys and other small tools, while the interior wall is outfitted with elastic loop for magazine and or tool storage. The fold down flap is covered with vinyl to make a workspace that can stand up to oil and solvents used in cleaning and lubing your weapon. The real hero is the rare earth magnet sewn into the middle of the work area that will draw small metal pieces to it, like grip screws, to keep them from walking off. On the reverse side of the bag there is a flap pocket to accept a gun rug, targets and the like. Two exterior zippered pockets are ideal for score cards, batteries, or range snacks. The interior of the main compartment is lined with hook and loop material, so you can configure the customizable divider and the removable mesh dump pouch for you brass hounds out there. The lid has mesh storage on the underside for even more organization of shooting supplies. The bottom of the bag has non-skid feet and webbing to reinforce the bag.

# Safety Instruction Guide for the Grey Ghost Gear Range Bag

## Introduction

Thank you for choosing the Grey Ghost Gear Range Bag. This guide provides essential safety instructions and guidelines to ensure the safe use of your range bag. Please read this document carefully before using the product to maximize your safety and enjoyment.

## General Safety Guidelines

- Always inspect the bag for any damage before use. Do not use if damaged.
- Ensure that all zippers and buckles are functioning properly.
- Keep the bag away from extreme temperatures and moisture to prevent material degradation.
- Store the bag in a cool, dry place when not in use.
- Avoid overloading the bag beyond its designed capacity to maintain structural integrity.
- Be mindful of sharp objects stored in the bag to prevent injury when handling.

## Specific Safety Precautions for Use

- Use the padded strap to carry the bag, especially when it is loaded with equipment.
- When using the bag as a workstation, ensure it is placed on a stable surface to prevent tipping.
- Keep the bag closed when not in use to prevent accidental spillage of contents.
- Be cautious with small items like screws and tools that may pose choking hazards, especially around children.
- Regularly check the condition of the rare earth magnet to ensure it is secure and functioning.

## Instructions for Installation and Usage

### 1. Setting Up the Range Bag:

- Open the main compartment and ensure the customizable divider is adjusted to your needs.
- Use the removable mesh dump pouch for easy access to small items like spent brass.

### 2. Using the Workstation Feature:

- Unzip the front pouch to unfold the workstation.
- Ensure the bag is stable and secure before placing any tools or equipment on the workspace.

### 3. Storing Items:

- Utilize the zippered pockets for storing electronic ear protection, range finders, and snacks.
- Use the elastic loops on the interior wall for organizing magazines and tools.

### 4. Cleaning and Maintenance:

- Wipe the exterior with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the fabric.

## Disposal Instructions

- Dispose of the bag responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for textile products.

- If the bag is damaged beyond repair, consider recycling the fabric if possible.

## **Contact Information for Further Support**

For any safety inquiries or product concerns, please contact the manufacturer directly. Ensure you have the product details available for a more efficient response.

Please keep this guide for future reference and ensure all users of the Grey Ghost Gear Range Bag are aware of these safety instructions. Your safety is our priority.
