

# RANGE BAG - GREY GHOST GEAR RANGE BAG MULTICAM BLACK

[Shooting Accessories](#) > [Range Gear](#) > [Range Bags](#)

The Grey Ghost Gear™ Range Bag will get you to the range with the kit that you need for a day on the range and keep it organized and handy. The bag measures 9 inches tall, 20 inches wide, and 7 inches deep. 1260 total cubic inches. It is constructed of 500D nylon Cordura. The strap is generous, padded and contoured to stay on the users shoulder when they have their hands full. It features full adjustability and is easily removed by disengaging the side release buckles on either side. On either end there are zippered pockets sized to contain folded electronic ear pro, range finders, staple guns, or your lunch. On the front of the bag is a zippered pouch that will allow the front to fold out to a handy workstation. Two zippered diagonal pockets are perfect for allen keys and other small tools, while the interior wall is outfitted with elastic loop for magazine and or tool storage. The fold down flap is covered with vinyl to make a workspace that can stand up to oil and solvents used in cleaning and lubing your weapon. The real hero is the rare earth magnet sewn into the middle of the work area that will draw small metal pieces to it, like grip screws, to keep them from walking off. On the reverse side of the bag there is a flap pocket to accept a gun rug, targets and the like. Two exterior zippered pockets are ideal for score cards, batteries, or range snacks. The interior of the main compartment is lined with hook and loop material, so you can configure the customizable divider and the removable mesh dump pouch for you brass hounds out there. The lid has mesh storage on the underside for even more organization of shooting supplies. The bottom of the bag has non-skid feet and webbing to reinforce the bag.

# Safety Instruction Guide for the Grey Ghost Gear Range Bag

## Introduction

Thank you for choosing the Grey Ghost Gear Range Bag. This guide provides essential safety instructions to ensure the safe and effective use of your range bag. It aligns with the EU General Product Safety Regulation (GPSR) to protect consumers and ensure a safe experience.

## General Safety Guidelines

- Always inspect the bag before use for any signs of damage or wear.
- Ensure that all zippers and buckles are functioning properly.
- Keep the bag out of reach of children when not in use.
- Avoid overloading the bag to prevent strain or damage.
- Store the bag in a dry, cool place to maintain material integrity.
- Be aware of sharp edges or tools stored in the bag that may cause injury.

## Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the recommended weight limit for the bag to avoid strain or damage.
- **Padded Strap:** Use the padded shoulder strap for comfort and to prevent slipping when carrying heavy loads.
- **Zippered Pockets:** Utilize zippered pockets for small items to prevent loss and ensure quick access.
- **Magnet Caution:** The rare earth magnet is strong; keep metal objects away to avoid pinching or injury.
- **Cleaning Supplies:** Ensure that any cleaning supplies stored in the bag are properly sealed to avoid leaks and contamination.

## Instructions for Installation and Usage

### 1. Setting Up the Bag:

- Unzip the main compartment and open the bag fully.
- Adjust the customizable divider as needed to organize your gear efficiently.
- Attach the removable mesh dump pouch for easy access to spent brass or other items.

### 2. Using the Bag:

- Fill the bag with your range gear, ensuring that heavier items are placed at the bottom for stability.
- Use the zippered pockets for storing smaller items like tools, batteries, or score cards.
- When using the fold-down flap as a workstation, ensure it is securely supported to prevent tipping.

### 3. Carrying the Bag:

- Adjust the padded strap to a comfortable length.
- When carrying the bag, ensure it is balanced to prevent strain on your shoulder.

### 4. After Use:

- Empty the bag of all contents before storing it.
- Clean the bag as needed, following the manufacturer's recommendations for cleaning materials.

## **Disposal Instructions**

- Dispose of the bag responsibly in accordance with local regulations.
- If the bag is damaged beyond repair, consider recycling the materials where possible.
- Do not incinerate the bag, as it may release harmful fumes.

## **Contact Information for Further Support**

If you have any questions or require further information regarding safety or product use, please refer to the manufacturer's contact information provided with the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your Grey Ghost Gear Range Bag. Thank you for your attention to safety.
