Safety Instruction Guide for ALPHA SERIES FIXED BEAM STOCKS

Introduction

Thank you for choosing the ALPHA SERIES FIXED BEAM STOCKS by Midwest Industries. This product is designed to enhance your firearm's functionality while ensuring safety and comfort during use. Please read this safety instruction guide carefully to understand the proper use and maintenance of this product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all manufacturer instructions.
- Be aware of potential hazards associated with the use of firearm accessories.
- Always check for product recalls and safety alerts on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Keep this guide for future reference and ensure that all users are familiar with the safety instructions.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Use the stock only with firearms that are compatible with the 1913 rail adaptor.
- Do not exceed the weight limit of the stock; ensure that it is suitable for your firearm.
- Make sure the stock is securely locked in place before use to prevent accidental disassembly.
- Regularly inspect the stock for signs of wear or damage. Do not use if any components are compromised.
- Keep the product out of reach of children and unauthorized users.
- Use protective gear, such as safety glasses and hearing protection, when handling firearms.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Stock:** If applicable, remove the existing stock from the firearm using appropriate tools.
3. **Align the Stock:** Position the ALPHA SERIES FIXED BEAM STOCK onto the firearm's 1913 rail adaptor.
4. **Secure the Stock:** Use the provided screws and clamps to secure the stock tightly. Ensure that the stock is locked in place.
5. **Check Functionality:** Gently pull the stock to ensure it is securely attached and does not wobble.

Usage

- Adjust the polymer cheek piece for a comfortable fit.
- Use the adjustable butt pad for increased usability with plate carriers or heavy gear.
- Utilize the 3 QD sling attachments for secure carry options.
- When folding the side folder model, ensure that it locks securely in both positions.
- Always adhere to local laws and regulations regarding firearm modifications and usage.

Disposal Instructions

- Dispose of the product responsibly and in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Recycle materials when possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the ALPHA SERIES FIXED BEAM STOCKS, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have your product details ready when seeking support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ALPHA SERIES FIXED BEAM STOCKS. Thank you for your attention to safety and compliance.
