Safety Instruction Guide for ALPHA SERIES M4 BEAM STOCKS

Introduction

Thank you for choosing the ALPHA SERIES M4 BEAM STOCKS from MIDWEST INDUSTRIES. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm accessories in your area.
- Always handle your firearm and its accessories with care and respect.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you encounter any issues, do not use the product until it has been inspected by a qualified professional.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation or use may result in personal injury or damage to the firearm.
 - Ensure that the firearm is unloaded before attaching or detaching the beam stock.
 - Be aware of the weight added to the firearm and how it may affect handling.
- **Instructions to Avoid Hazards:**
 - Always follow the manufacturer's instructions for installation and use.
 - Do not exceed the weight limit specified for the beam stock.
 - Ensure that all locking mechanisms are engaged before use.
 - Use the product only with compatible firearms and accessories.
- **AudienceSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.
 - Individuals with limited experience in handling firearms should seek guidance before using this product.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove any existing stock if applicable.
 3. Align the beam stock with the firearm's attachment point.
 4. Securely fasten the stock using the provided hardware, ensuring all components are tight.
 5. Check that the locking mechanism functions correctly by folding and unfolding the stock.
- **Usage:**
 - When using the Side Folder model, ensure that the stock is locked in place before firing.
 - If using the Fixed model, confirm that it is securely attached and properly aligned.
 - Regularly check the stock for any signs of wear and ensure all components are functioning.

- correctly.
- Make sure to use the QD sling attachments as needed for secure handling.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories and materials.
- Do not dispose of the product in regular household waste.
- If you need to dispose of the product, contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ALPHA SERIES M4 BEAM STOCKS, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product details on hand for a more efficient inquiry.

Conclusion

Your safety is our priority. By following these guidelines, you can help ensure a safe and effective experience with your ALPHA SERIES M4 BEAM STOCKS. Always stay informed about safety practices and regulations concerning firearm accessories. Thank you for your attention to these important safety instructions.
