

# BCMGUNFIGHTER COMPENSATOR- MOD 5 5.56MM - BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 5- 5.56 (2" CLOSED TIME)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Based off feedback from the Gunfighters, industry professionals, and Bravo's customers, BCM has designed a new generation of compensators. These compensators were designed to reduce muzzle rise, flash signature, noise, and lateral pressure for tactical applications. These are lifesaving tools for your professional grade weaponry. The BCMGUNFIGHTER™ Compensator Mod 5-5.56 Tuned slots and ports offer compensation of muzzle-rise and flash reduction. No ground-facing openings; reduces unwanted kick-up of dust or debris when shooting prone or from a barricade. Designed to have less side blast and noise associated with typical compensators Nitride treated for maximum corrosion resistance Pre-drilled hole at the base for permanent installation (5.56 version only) Includes a Crush Washer Should be installed by a qualified armorer. Threaded 1/2 x 28 for 5.56mm AR15 platforms. Extended version of the BCMGUNFIGHTER™ MOD 4 - 5.56. Mount per BATF specs to bring your 14.5 inch barrel over 16 inches (non-NFA) Please note: The combustion gasses exiting the muzzle of a rifle are extremely hot, traveling at extreme velocity, and contains not only burning gasses but solid particles of unburnt powder as well as metals from the projectile. Due to the inherent nature of steel, it is nearly impossible to survive unaffected in this environment when directly exposed. The high temperatures begin to make the steel more malleable, which allows solid particles and pressure waves to deform and erode surfaces upon exit.

## Attributes

- Name: [BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 5- 5.56 \(2" CLOSED TIME\)](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430105161
- Mfr. No.: BCM-GFC-MOD-5-556
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.227kg
- Shipping height: 32mm
- Shipping width: 83mm
- Shipping length: 178mm
- UPC: 812526023636

## Safety Instruction Guide

### Introduction

Thank you for choosing the BCMGUNFIGHTER Compensator Mod 5 5.56MM. This product has been designed with the feedback of industry professionals to enhance the performance of your firearm while ensuring safe usage. Please read this safety instruction guide carefully to understand the proper handling, installation, and maintenance of this product.

### General Safety Guidelines

- Ensure safe use of the compensator by following all provided instructions.
- Always treat firearms as if they are loaded and handle them responsibly.
- Keep the compensator and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of wear or damage.
- Report any unsafe products or accidents to local authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the compensator.
- Avoid using the compensator in conditions where excessive dust or debris may be present, as it may affect visibility and safety.
- Ensure that the compensator is securely attached to the firearm before use.
- Do not exceed the recommended caliber specifications for the compensator.
- Be aware of the high temperatures generated when firing, and allow the compensator to cool before handling.

### Instructions for Installation and Usage

#### Installation

- Ensure that the firearm is unloaded before installation.
- Use a qualified armorer for installation to guarantee proper fitting and safety.
- Thread the compensator onto the muzzle of the firearm, ensuring it is tightened securely.
- Check that the predrilled hole at the base of the compensator is aligned for permanent installation if desired.
- Install the included crush washer to ensure a proper seal.

#### Usage

- The compensator is designed for 5.56mm AR15 platforms with a threaded 1/2 x 28 muzzle.
- Do not use the compensator with any other caliber or firearm type without consulting a qualified professional.
- When firing, maintain a stable shooting position to maximize the compensator's effectiveness in reducing muzzle rise and flash.
- Always follow the manufacturer's recommendations for ammunition types to avoid potential hazards.

### Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal products and firearm accessories.

- Do not dispose of the compensator in regular household waste. Consult local authorities for proper disposal methods.
- If the compensator is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the appropriate contact point in your region. Ensure you have the product details available for a more efficient response.

Thank you for prioritizing safety while using the BCMGUNFIGHTER Compensator Mod 5 5.56MM. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
