

BCMGUNFIGHTER COMPENSATOR- MOD 7 5.56MM - BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 7- 5.56 (2" OPEN TIME)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Based off feedback from the Gunfighters, industry professionals, and Bravo's customers, BCM has designed a new generation of compensators. These compensators were designed to reduce muzzle rise, flash signature, noise, and lateral pressure for tactical applications. These are lifesaving tools for your professional grade weaponry. The BCMGUNFIGHTER™ Compensator Mod 7-5.56 Tuned slots and ports offer compensation of muzzle-rise and flash reduction. Open tine design offers optimal flash hiding. No ground-facing openings; reduces unwanted kick-up of dust or debris when shooting prone or from a barricade. Designed to have less side blast and noise associated with typical compensators. Nitride treated for maximum corrosion resistance. Predrilled hole at the base for permanent installation (5.56 version only). Includes a Crush Washer. Should be installed by a qualified armorer. Threaded 1/2 x 28 for 5.56mm AR15 platforms. Extended version of the BCMGUNFIGHTER™ MOD 6 - 5.56. Mount per BATF specs to bring your 14.5 inch barrel over 16 inches (non-NFA). Please note: The combustion gasses exiting the muzzle of a rifle are extremely hot, traveling at extreme velocity, and contains not only burning gasses but solid particles of unburnt powder as well as metals from the projectile. Due to the inherent nature of steel, it is nearly impossible to survive unaffected in this environment when directly exposed. The high temperatures begin to make the steel more malleable, which allows solid particles and pressure waves to deform and erode surfaces upon exit.

Attributes

- Name: [BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 7- 5.56 \(2" OPEN TIME\)](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430105163
- Mfr. No.: BCM-GFC-MOD-7-556
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.227kg
- Shipping height: 32mm
- Shipping width: 83mm
- Shipping length: 178mm

BCMGUNFIGHTER Compensator Mod 7 5.56mm

Safety Instruction Guide

Introduction

Thank you for choosing the BCMGUNFIGHTER Compensator Mod 7 5.56mm. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your compensator. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure compliance with all local laws and regulations regarding firearms and accessories.
- Always handle firearms safely and responsibly to prevent accidents and injuries.
- Keep the compensator and all firearm accessories out of the reach of children and unauthorized users.
- Be aware of your surroundings when using firearms to avoid injury to yourself or others.
- Regularly inspect your compensator and firearm for wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Heat Awareness:** The combustion gases exiting the muzzle are extremely hot and can cause burns. Always allow the compensator to cool before handling.
- **Muzzle Direction:** Always point the firearm in a safe direction when firing or handling.
- **Dust and Debris:** The open tine design reduces kickup of dust or debris when shooting from a prone position or barricade. Be mindful of your shooting environment.
- **Noise Levels:** Be aware that the compensator may produce noise levels higher than typical firearms. Use appropriate hearing protection.
- **Installation:** Only qualified armorers should install the compensator to ensure proper fit and function.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the muzzle threads of the firearm to ensure proper installation.
- Align the BCMGUNFIGHTER Compensator on the muzzle and handtighten it onto the threaded barrel.
- Use a torque wrench to secure the compensator to the manufacturer's specifications.
- Install the included crush washer to ensure a proper seal.
- Check the alignment and ensure it is securely fastened.

2. Usage:

- Always wear appropriate eye and ear protection when firing.
- Ensure that the compensator is functioning correctly before use.
- Fire in a controlled environment, keeping in mind the potential for increased noise and blast.
- Regularly clean the compensator to maintain performance and appearance.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal waste and firearm accessories.

- If the compensator is damaged or no longer usable, do not attempt to repair it; dispose of it safely.

Contact Information for Further Support

For any inquiries regarding the BCMGUNFIGHTER Compensator or safety concerns, please contact the manufacturer or your local firearms dealer for assistance.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance of your BCMGUNFIGHTER Compensator while ensuring the safety of yourself and those around you.
