

AK ADJUSTIBLE GAS PISTON - KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM AKMS SMALL BORE

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Pistons](#)

Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed. Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R Fits AKM, AK-74, VEPR, PSL and M92 rifles Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.*

Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM AKMS SMALL BORE](#)
- Manufacturer: [KNS PRECISION](#)

AK Adjustable Gas Piston Safety Instruction Guide

Introduction

Thank you for choosing the AK Adjustable Gas Piston by KNS Precision. This product is designed to enhance the performance of your AKstyle rifle by providing better gas regulation. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure that the AK Adjustable Gas Piston is used according to the manufacturer's instructions to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. If you receive a recall notice, follow the instructions provided to remedy any issues.
- **Online Shopping Protections:** If purchased online, verify that the seller complies with EU safety standards.
- **Special Consumer Focus:** This product is intended for adult users. Keep out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact information.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Check Compatibility:** Ensure the KNS Precision AK Adjustable Gas Piston is compatible with your specific AK model (AKM, AK74, VEPR, PSL, M92).
- **Inspect Before Use:** Always inspect the gas piston for any signs of damage or wear before installation.
- **Proper Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunctions.
- **Test Functionality:** After installation, test the gas piston at the range to ensure proper operation. If the brass ejects further than 15 feet, further adjustments may be necessary.
- **Avoid Overgassing:** Monitor the performance of your rifle to ensure that the gas system is not overgassed, which can cause excessive wear.
- **Use Appropriate Ammunition:** Ensure that you are using the correct caliber ammunition for your gas piston to avoid potential hazards.

Instructions for Installation and Usage

1. **Gather Tools:** You will need basic tools such as a wrench and a screwdriver for installation.
2. **Remove Existing Gas Piston:**
 - Unload your rifle and ensure it is safe to handle.
 - Carefully remove the existing gas piston from the gas block.
3. **Install the KNS Precision AK Adjustable Gas Piston:**
 - Align the new gas piston with the gas block.
 - Securely tighten it using the appropriate tools.
4. **Adjust Settings:**
 - Adjust the gas setting according to your firing conditions and ammunition type.
5. **Function Test:**
 - Take your rifle to the range and fire a few rounds to test the functionality.
 - Observe the ejection distance of the brass.
6. **Make Adjustments If Needed:** If the brass is ejecting too far, consider making further adjustments to the gas setting.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not throw away in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AK Adjustable Gas Piston, please refer to the manufacturer's contact information provided with your product.
