

# AK ADJUSTIBLE GAS PISTON - KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM ARSENAL RIFLE SMALL BORE

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Pistons](#)

## Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed. Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R Fits AKM, AK-74, VEPR, PSL and M92 rifles Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

\* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.\*

## Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM ARSENAL RIFLE SMALL BORE](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 430105260
- Mfr. No.: AGP-A-20S
- Model Number: Arsenal Rifle Small Bore
- Delivery weight: 0.159kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 279mm
- UPC: 853906008362

## Item details

Made in USA

US export classification: 0A501.c

# AK Adjustable Gas Piston Safety Instructions

## Introduction

Thank you for choosing the AK Adjustable Gas Piston by KNS Precision. This product is designed to enhance the performance of your AKstyle rifle by providing better gas regulation. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always treat firearms with respect and handle them as if they are loaded.
- Ensure that you are familiar with the operation of your rifle and the AK Adjustable Gas Piston before use.
- Store your firearm and accessories in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and the gas piston for signs of wear or damage.
- Follow all local laws and regulations regarding firearms and their accessories.

## Specific Safety Precautions for Use

- Use only the specified calibers with the appropriate piston:
  - Smallcaliber piston: .223 Rem., 5.56 NATO, and 5.45x39mm
  - Largecaliber piston: 7.62x39mm, .308 Win., and 7.62x54R
- Ensure that your rifle is unloaded before installing or adjusting the gas piston.
- Avoid using excessive force when installing the gas piston to prevent damage.
- Keep your face and body away from the ejection port when firing to avoid injury from ejected brass.
- If you experience any malfunction or unusual behavior during operation, stop using the firearm immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

**Installation Steps:** 1. Ensure your firearm is completely unloaded and pointed in a safe direction. 2. Remove the existing gas piston from the gas block. 3. Select the appropriate KNS Precision gas piston based on your rifle's caliber. 4. Install the new gas piston into the gas block, ensuring it is seated properly. 5. Adjust the gas setting according to your preference for optimal performance. 6. Test the firearm at the range to ensure proper function and adjust as necessary.

**Usage Tips:** \* Fire a few rounds to check the ejection distance of your brass. \* If the brass is ejecting more than 15 feet away, consider further adjusting the gas piston. \* Regularly clean and maintain your firearm to ensure longevity and reliable performance.

## Disposal Instructions

- Dispose of the gas piston and any related materials in accordance with local regulations.
- Do not throw away firearms or firearm components in regular trash.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the AK Adjustable Gas Piston, please refer to the manufacturer's contact details provided with the product packaging. Ensure to keep your proof of purchase for warranty purposes.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AK Adjustable Gas Piston. Thank you for prioritizing safety and compliance.
