## Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed. Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R Fits AKM, AK-74, VEPR, PSL and M92 rifles Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

\* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.\*

## Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM MINI DRACO](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 430105266
- Mfr. No.: AGP-A-26
- Make: -
- Model Number: Mini Draco
- Delivery weight: 0.159kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 279mm
- UPC: 853906008447

## Item details

Made in USA

US export classification: 0A501.c

# Consumer Safety Instruction Guide for AK Adjustable Gas Piston KNS Precision Adjustable Gas Piston System Mini Draco

## Introduction

Thank you for choosing the AK Adjustable Gas Piston KNS Precision Adjustable Gas Piston System Mini Draco. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following general safety guidelines:

- Always handle firearms responsibly and with care.
- Ensure you are familiar with the operation of your firearm before installing or using the gas piston system.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the AK Adjustable Gas Piston, consider the following safety precautions:

- Ensure your firearm is unloaded before installation.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify or alter the gas piston system in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm usage.

## Instructions for Installation and Usage

The following steps outline how to install and use the AK Adjustable Gas Piston safely:

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

#### 2. Remove Existing Gas Block:

- Carefully remove the existing gas block from your firearm.

#### 3. Install KNS Precision Adjustable Gas Piston:

- Insert the KNS Precision Adjustable Gas Piston into the existing gas block.
- Ensure it is seated properly and securely.

#### 4. Reassemble Firearm:

- Reattach the gas block to your firearm as per the manufacturer's specifications.

#### **5. Test Functionality:**

- After installation, test the functionality of the gas piston at the range.
- Observe the ejection pattern of the brass to ensure proper operation.

### **Usage Instructions**

- Always follow proper firearm safety protocols when using your AKstyle rifle.
- Regularly check the gas piston for proper functioning to prevent malfunctions.
- If you experience excessive recoil or failure to eject, consider adjusting the gas piston settings.

### **Disposal Instructions**

When it comes time to dispose of the AK Adjustable Gas Piston, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for firearm accessories.
- Consider recycling options if available.

### **Contact Information for Further Support**

For any questions regarding the safe use or installation of the AK Adjustable Gas Piston, please refer to the manufacturer's support resources. Ensure you have the model number (Mini Draco) and manufacturer (KNS Precision) available when seeking assistance.

### **Conclusion**

By following this guide, you can ensure the safe and effective use of your AK Adjustable Gas Piston KNS Precision Adjustable Gas Piston System Mini Draco. Remember to always prioritize safety and comply with local laws and regulations. Thank you for your commitment to responsible firearm ownership.
