

ENHANCED AR-10 BOLTCATCH - STRIKE INDUSTRIES AR-10 ENHANCED BOLT CATCH

[Home](#)

The Strike AR-10 Enhanced Bolt Catch is another piece in the SI line of high quality parts for the AR-10 market. This SI Enhanced Bolt Catch (EBC) features an extra wide bolt catch lower lever surface and grooves for added grip which helps make its operation effortless. The widened bolt catch lower lever assists in the manual locking of the bolt carrier group (BCG) to the rear. The solid construction and clean matte black finish make it a great looking replacement or an essential pick for a new build project. Looking for a great value with better functionality, add some SI style and look no further than the Strike AR-10 Enhanced Bolt Catch. Package Contents: x1 Strike AR-10 Enhanced Bolt Catch x1 Bolt catch plunger x1 Bolt catch spring x1 Roll pin Product Features: Wide surface area "ping pong paddle" for faster operation Widened bolt catch lower lever for easier manual locking of BCG to the rear Grooves for added grip Sleek SI style blends well aesthetically with many upper and lower receivers Solid AISI 8620 steel construction COMPATIBILITY: AR-10 DPMS/LR-308 & SR-25 pattern lower receivers Aero Precision M5 MEGA Maten Billet Ambi Receiver NOT COMPATIBLE: Some billet lower receivers due to no Mil-Spec standard SLR Rifleworks SLR-B30 Ambi Billet Lower Receiver NOTE: Due to no Mil-Spec standards for the AR-10 platform, some parts will still function as intended but may have slight movement -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. AR10 ENHANCED BOLT CATCH Safety Instruction Guide

Introduction

Thank you for choosing the Strike Industries AR10 Enhanced Bolt Catch. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of the AR10 platform before using the Enhanced Bolt Catch.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the Enhanced Bolt Catch and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the Enhanced Bolt Catch for wear or damage. If any issues are found, discontinue use immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the Enhanced Bolt Catch only with compatible AR10 DPMS/LR308 and SR25 pattern lower receivers.
- Do not attempt to use the Enhanced Bolt Catch with any noncompatible lower receivers, as this may lead to malfunction or failure.
- Ensure that the bolt carrier group (BCG) is clear of obstructions before attempting to operate the bolt catch.
- Avoid excessive force when operating the bolt catch to prevent damage to the component or the firearm.
- Be aware that some billet lower receivers may not meet MilSpec standards and could exhibit slight movement when using the Enhanced Bolt Catch.
- Follow all manufacturer instructions for installation and usage to minimize risks.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and safe before beginning installation.
- Remove the existing bolt catch from the lower receiver if applicable.
- Install the Enhanced Bolt Catch by following these steps:
 - Insert the bolt catch plunger and spring into the designated hole in the lower receiver.
 - Position the Enhanced Bolt Catch in place, ensuring proper alignment with the plunger and spring.
 - Secure the bolt catch using the provided roll pin, ensuring it is fully seated.
- Verify that the bolt catch operates smoothly and does not bind.

2. Usage

- To manually lock the bolt carrier group (BCG) to the rear, press down on the lower lever of the Enhanced Bolt Catch.
- Ensure a firm grip on the lower lever surface to facilitate easy operation.
- Regularly check the functionality of the bolt catch during routine maintenance of your firearm.

Disposal Instructions

- Dispose of the Enhanced Bolt Catch and any associated components in accordance with local regulations.
- Do not dispose of any firearm parts in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the Enhanced Bolt Catch, please refer to the manufacturer's website or contact customer support through the appropriate channels.

By following these safety instructions and guidelines, you will help ensure a safe and effective experience with the Strike Industries AR10 Enhanced Bolt Catch. Thank you for prioritizing safety in your firearm usage.
