

BIPOD GRIP (PICATINNY) - STRIKE INDUSTRIES BIPOD GRIP

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The Strike Bipod Grip offers versatility and efficiency to your rifle for maintaining a firm grip when on the move or a steady stationary platform when prone shooting at a sleek, simple and the most affordable option on the market. With various shooting situations and scenarios, there are advantages from an attachment which is both a grip and a bipod. If you have to navigate a building in a Close Quarters Battle (CQB) situation to laying prone right outside taking mid to long range shots, this bipod grip combo will certainly be of use to you. Competition shooters, hunters and a day at the range offer multiple benefits when real estate and weight makes a difference. Easy quick install and removal of the Strike Bipod Grip to 1913 Picatinny rails with the Quick Detach (QD) clamp and 3-arm knob. No fuss simple pull mechanism to deploy bipod legs with a light squeeze and push up to put away. The grip angle sits on the handguard at 89 degrees. Designed with textured palm and finger areas with flat sides for positive handling and easier manipulation of the firearm. Made from durable and lightweight polymer, the Strike Bipod Grip gives you two useful tools together to save rail space without adding any significant amount of weight at a bargain price. **WARNING:** Strike AR Bipod is for casual/light duty shooting use. Abuse of product can possibly break the polymer legs. Heavy-duty metal legs will be introduced in the future. Safety Instruction Guide for the Strike Industries Bipod Grip

Introduction

Thank you for choosing the Strike Industries Bipod Grip. This product is designed to enhance your shooting experience by providing a versatile grip and bipod in one unit. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information about the safe handling, installation, and maintenance of your Bipod Grip.

General Safety Guidelines

- Always inspect the Bipod Grip before use to ensure it is in good working condition.
- Do not exceed the weight limits specified for the Bipod Grip.
- Ensure that the Bipod Grip is securely attached to your firearm before use.
- Use the product only for its intended purpose.
- Keep the Bipod Grip out of reach of children and unauthorized users.
- Report any accidents or unsafe conditions to the relevant authorities.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Warning:** The Strike AR Bipod is intended for casual/light duty shooting use only.
- Avoid using the product in extreme conditions that may cause damage to the polymer legs.
- Do not apply excessive force when deploying or retracting the bipod legs to prevent breakage.
- Always ensure that the firearm is unloaded when attaching or detaching the Bipod Grip.
- Be aware of your surroundings when using the Bipod Grip, especially in Close Quarters Battle (CQB) situations.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the Bipod Grip with the 1913 Picatinny rail on your firearm.
- Use the Quick Detach (QD) clamp and 3mm knob to securely attach the Bipod Grip.
- Confirm that the Bipod Grip is tightly secured before proceeding.

2. Usage:

- To deploy the bipod legs, use the simple pull mechanism with a light squeeze.
- Push up on the bipod legs to retract them when not in use.
- Maintain a grip angle of 89 degrees for optimal handling.
- Utilize the textured palm and finger areas for better weapon manipulation control.

3. PostUse:

- After use, inspect the Bipod Grip for any signs of wear or damage.
- Store the Bipod Grip in a safe, dry place to prevent deterioration.

Disposal Instructions

- Dispose of the Bipod Grip in accordance with local regulations for plastic materials.
- Do not dispose of the Bipod Grip in household waste.
- Consider recycling the product if possible.

Contact Information for Further Support

For any questions or concerns regarding the Strike Industries Bipod Grip, please refer to the manufacturer's contact information provided with the product packaging. Always ensure you are following the latest safety guidelines and product updates.

Thank you for your attention to these safety instructions. Enjoy your shooting experience!
