

# FLIP SWITCH - STRIKE INDUSTRIES FLIP SWITCH IN BLACK

[Rifle Parts](#) > [Safety Parts](#) > [Safeties](#)

The SI Flip Switch is a lightweight, low profile ambidextrous safety. Created to fill the gap between our basic but functional Hex Selector Switch and the larger go-fast Strike Switch, the Flip Switch features carefully designed ergonomics to facilitate positive, but comfortable engagement and disengagement even when wet despite its compact, low drag size. Due to numerous factors that take place during the anodization process, the color lines from batch to batch of a certain product may vary. For those looking to upgrade the aesthetics of their AR, the Flip Switch is offered in our full anodized color line for that custom touch. Package includes: 2x Shaft Screw 1x 60/90 Shaft 1x End Cap 1x Right Side Flip Switch 1x Left Side Flip Switch Features Ambidextrous Ergonomic Shape Modular Assembly Strike 60/90 Option Note: Not compatible with Hiperfire triggers -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. # FLIP SWITCH STRIKE INDUSTRIES FLIP SWITCH IN BLACK Safety Instruction Guide

## Introduction

Thank you for choosing the FLIP SWITCH from STRIKE INDUSTRIES. This product is designed to enhance the safety and functionality of your AR15 firearm. It is essential to understand how to use this product safely and effectively. Please read this guide carefully to ensure proper installation, usage, and disposal.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are in a safe environment when handling firearms.
- Keep the FLIP SWITCH out of reach of children and unauthorized users.
- Regularly inspect the FLIP SWITCH for any signs of wear or damage.
- Use the product only as intended and according to the manufacturer's instructions.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The FLIP SWITCH is designed for ambidextrous use. Ensure it is properly installed for your preferred side.
- Avoid using the FLIP SWITCH in wet or slippery conditions without proper handling precautions.
- Do not attempt to modify or alter the FLIP SWITCH in any way.
- Ensure your fingers are clear of the trigger and the safety mechanism when engaging or disengaging the switch.
- Be aware that the product may have color variations due to the anodization process. This does not affect performance but may differ from your expectations.

## Instructions for Installation and Usage

### 1. Installation:

- Gather the required tools: 2x Shaft Screws, 1x 60/90 Shaft, and 1x End Cap.
- Remove the existing safety mechanism from your AR15, following the manufacturer's instructions.
- Install the 60/90 Shaft into the designated area.
- Secure the FLIP SWITCH in place using the provided Shaft Screws.
- Attach the End Cap to complete the installation.

### 2. Usage:

- To engage the safety, flip the switch to the "safe" position. Ensure it is firmly in place.
- To disengage the safety, flip the switch to the "fire" position. Ensure a positive engagement.
- Practice using the FLIP SWITCH in a controlled environment to become familiar with its operation.

## Disposal Instructions

- Dispose of the FLIP SWITCH in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling components where applicable, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries regarding the FLIP SWITCH or safety concerns, please reach out to your local dealer or the manufacturer directly. Ensure you have the product details ready for reference.

## **Regulatory Compliance**

This product complies with the EU General Product Safety Regulation (GPSR). It is designed to minimize potential hazards associated with its use. Always follow the safety guidelines provided to ensure safe operation.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following this guide, you can ensure a safe and enjoyable experience with your FLIP SWITCH. Always remain vigilant and responsible when handling firearms and their accessories. Thank you for choosing STRIKE INDUSTRIES.
