# Safety Instruction Guide for AR Pistol Grip Adapter for CZ Scorpion

## Introduction

Thank you for choosing the Strike Industries AR Pistol Grip Adapter for CZ Scorpion. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure safe and effective use of the product. Please read this document carefully before using the adapter.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of damage or wear. Do not use if damaged.
- If you experience any issues during installation or usage, cease use immediately and consult a professional.
- Always follow local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- **Compatibility:** This adapter is designed specifically for CZ Scorpion EVO models including 3+. Using it with incompatible models may pose safety risks.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to accidents.
- **Handling:** Always handle the firearm and accessories responsibly. Ensure the firearm is unloaded when attaching or removing the adapter.
- **Ergonomics:** The adapter is designed to improve ergonomics; however, ensure a proper grip to avoid pinched fingers, especially near the selector switch.
- **Chemical Warning:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Use appropriate precautions when handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components included in the package.

### 2. Installation Steps:

- Remove the existing grip from the CZ Scorpion.
- Align the AR Pistol Grip Adapter with the upper receiver screw hole.
- Insert the gap filler into the oval screw hole of the upper receiver.
- Secure the adapter using the provided set screw (M4x29mm) and tighten with the Torx tool [T20].
- Attach your preferred AR style pistol grip to the adapter.

### 3. PostInstallation Check:

- Ensure that all screws are tightened and the grip is secure.
- Test the grip for stability and comfort before using the firearm.

### 4. Usage:

- Use the firearm as per the manufacturer's guidelines.
- Regularly check the adapter for any signs of loosening or damage during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options for metal components.
- Follow local laws regarding the disposal of hazardous materials.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their support team directly.

By following these guidelines, you can ensure the safe and effective use of the Strike Industries AR Pistol Grip Adapter for CZ Scorpion. Always prioritize safety and compliance with local regulations.
