# Safety Instruction Guide for LINK Anchor Polymer Hand Stop

## Introduction

Thank you for choosing the LINK Anchor Polymer Hand Stop by Strike Industries. This guide provides important safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always ensure the product is securely attached to your firearm before use.
- Regularly check the integrity of screws and nuts to prevent accidental detachment.
- Be aware of your surroundings and ensure a safe shooting environment.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to local authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to product failure. Using the product without ensuring screws and nuts are secure can cause accidents. The product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
- **Instructions for Avoiding Hazards:** Always use the appropriate tools for installation. Do not exceed the recommended torque of 20 in/lbs (2.26 nM) for the LINK screws. Regularly inspect the hand stop and its attachment points for wear or damage.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have the following items from the package:
  - 1X Link Anchor
  - 2X Sets of LINK Screw & Nut
  - 1X 3/32 HEX Tool
  - 1X Warning card
- Select the desired mounting location on your MLOK or KeyMod rail.
- Align the Link Anchor with the mounting holes.
- Insert the LINK screws through the hand stop and into the rail.
- Use the 3/32 HEX tool to tighten the screws, ensuring not to exceed the torque limit.

### 2. Usage:

- Grip the hand stop using the ergonomic design, choosing between the "push" or "pull" style based on your preference.
- Make sure your grip is secure and comfortable before engaging in shooting activities.
- Always maintain awareness of your firearm and surroundings during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided by your retailer or manufacturer. Always ensure you have access to safety resources and support when using firearms and related accessories.

By following these safety instructions, you can enjoy the full benefits of your LINK Anchor Polymer Hand Stop while ensuring your safety and the safety of others. Thank you for your attention to these important guidelines.
