# Safety Instruction Guide for SIG SAUER P320

## Ambidextrous Side Charging Handle

### Introduction

Thank you for choosing the Strike Industries Ambidextrous Side Charging Handle for your SIG SAUER P320. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the firearm safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

### Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the charging handle.
- Do not attempt to modify the charging handle or any part of the firearm.
- Use the charging handle only with compatible SIG SAUER P320 slides.
- Avoid using the charging handle in adverse conditions, such as extreme temperatures or wet environments, which may affect performance.
- Wear appropriate safety gear, including eye protection, when handling firearms.

### Instructions for Installation and Usage

#### 1. Installation Instructions:

- Ensure the firearm is unloaded.
- Remove the rear slide cover by following the manufacturer's instructions for your SIG SAUER P320.
- Align the Strike Industries Ambidextrous Side Charging Handle with the slide.
- Secure the charging handle using the provided Slide Cover Mount and set screw (M4x8mm).
- Ensure that the rubber pads are properly positioned to prevent marring of the slide finish.
- Reinstall the rear slide cover, ensuring it is secure.

#### 2. Usage Instructions:

- To rack the slide, grip the charging handle firmly and pull it back smoothly.
- Release the handle to allow the slide to return forward.
- Practice using the charging handle to become familiar with its operation, ensuring safe handling at all times.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not throw the product in regular household waste.
- Check with local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's website or contact their customer service department.

## Regulatory Compliance

This product complies with the EU General Product Safety Regulation (GPSR). Please be aware of the following: \* Potential hazards associated with improper use include accidental discharge or damage to the firearm. \* Follow the instructions carefully to avoid any risks during installation and use. \* This product is not intended for use by individuals under the age of 18 without adult supervision.

## Conclusion

Your safety is paramount. By following these guidelines and instructions, you can ensure a safe and effective experience with the Strike Industries Ambidextrous Side Charging Handle for your SIG SAUER P320. Always prioritize safety and responsibility when handling firearms.
