# Safety Instruction Guide for POLYFLEX SLIDE PLATE STRIKE INDUSTRIES POLYFLEX SLIDE PLATE FOR G17 & G19 IN BLACK

## Introduction

Thank you for choosing the Strike Industries Polyflex Slide Plate for your GLOCK™. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read all sections carefully before using the slide plate.

## General Safety Guidelines

- Ensure that the slide plate is compatible with your GLOCK™ model (GEN15 G17/G19).
- Always handle firearms and their components with care and respect.
- Keep the Polyflex Slide Plate out of reach of children and unauthorized users.
- Regularly inspect the slide plate for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- **ToolFree Operation:** The Polyflex Slide Plate is designed for toolfree disassembly. Ensure that you follow the integrated takedown button instructions for safe removal.
- **Avoid Force:** Do not use excessive force when installing or removing the slide plate, as this may cause damage to the product or your firearm.
- **Cleaning and Maintenance:** Always ensure your firearm is unloaded before cleaning or performing maintenance. Follow the manufacturer's guidelines for cleaning.
- **Compatibility:** This product is not compatible with GLOCK™ models G42/G43/G43X/G48. Ensure you are using the correct model to avoid safety risks.

## Instructions for Installation and Usage

1. **Preparation:** Ensure your GLOCK™ is unloaded and in a safe condition before beginning installation.
2. **Removing the Old Slide Plate:**
  - Locate the integrated takedown button on the existing slide plate.
  - Press the takedown button gently to release the slide plate.
3. **Installing the Polyflex Slide Plate:**
  - Align the Polyflex Slide Plate with the designated slot on your GLOCK™.
  - Press the slide plate into place until you hear a click, indicating it is securely attached.
4. **Final Check:** After installation, doublecheck that the slide plate is firmly in place and that the firearm operates correctly.

## Disposal Instructions

- Dispose of the Polyflex Slide Plate in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling programs or hazardous waste disposal options in your area.

## Contact Information for Further Support

For any queries or concerns regarding the Strike Industries Polyflex Slide Plate, please refer to the manufacturer's website or contact their support team for assistance.

## **Disclaimer**

This product is not manufactured, authorized, endorsed, or warranted by GLOCK. GLOCK does not warrant or represent that this product is compatible with GLOCK pistols. The use of "GLOCK" on this page is merely to advertise the sale of GLOCK pistols, parts, or components.

## **California Proposition 65 Warning**

WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

By following these guidelines and instructions, you can ensure a safe and effective experience with your POLYFLEX SLIDE PLATE. Thank you for prioritizing safety and responsible usage.
