## SHOTGUN BARREL CLAMP FOR 12-GAUGE IN BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

The Strike Shotgun Barrel Clamp for 12-Gauge helps to add strength and rigidity to your feed tubs with the ability to add accessories and a sling point. One side of the barrel clamp features a Picatinny (Pic) rail to mount a weapon light or other accessory. On the other side you have a 360° free swivel quick detach (QD) socket for an easy sling attachment point. The user can pick which side you want the Pic rail or QD to be. Compatible with the most common 12-Gauge barrels and feed tubes, this lightweight barrel clamp is machined from 6061-T6 aluminum. This Strike Shotgun Barrel Clamp for 12-Gauge provides additional support for your magazine feed tubes with the bonus of having a QD sling point on one side and a Picatinny rail accessory on the other that is quick and easy to install. Available in anodized SI BLACKLINE, FDELINE or TITAN EDITION colors. COMPATIBILITY: 12-Gauge models only Benelli M2/M4 Remington 870 Possibly other 12-Gauge shotguns not officially tested by SI NOT COMPATIBLE: With some special version models even mentioned above Mossberg 500, 930 Package Contents: x1 Strike Shotgun Barrel Clamp QD side x1 Strike Shotgun Barrel Clamp Picatinny side x2 Set screw (M5x14mm) x1 Hex tool [4mm] x1 Loctite® Threadlocker Blue 243® x1 Warning card Product Features: Picatinny rail to mount a weapon light or other accessory 360° free swivel QD socket for an easy sling attachment point Quick and easy installation with rail or QD socket on either side Compatible with most common 12-Gauge barrels and feed tubes Lightweight and high-strength Machined from 6061-T6 aluminum WARNING: Due to metal on metal contact, there is always a chance of marring finish/coating Before every use, always check proper function of your QD mount and any wear and tear from use Always have your weapon in the SAFE position when not being fired Always follow all firearms safety rules and never point your weapon at anything you are not willing to destroy -CALIFORNIA PROPOSITION 65 WARNING:- WARNING: This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. # Safety Instruction Guide for SHOTGUN BARREL CLAMP 12GAUGE BLACK

## Introduction

Thank you for choosing the Strike Industries Shotgun Barrel Clamp for 12Gauge. This product is designed to enhance the strength and rigidity of your shotgun's feed tubes while allowing for the attachment of accessories. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure proper function of your QD mount and check for wear and tear before each use.
- Always keep your weapon in the SAFE position when not being fired.
- Follow all firearms safety rules.
- Never point your weapon at anything you are not willing to destroy.
- Due to metalonmetal contact, there is a risk of marring the finish or coating. Handle with care.
- This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## Specific Safety Precautions for Use

- **Compatibility:** This clamp is compatible with most common 12Gauge barrels and feed tubes, including:
  - Benelli M2/M4
  - Remington 870
  - Other 12Gauge shotguns not officially tested by Strike Industries
- **Not Compatible:** Avoid using with some special version models, including:
  - Mossberg 500
  - Mossberg 930
- **Installation Precautions:**
  - Ensure that the clamp is securely attached before use.
  - Do not overtighten screws, as this may damage the clamp or the shotgun.
- **User Responsibility:** It is the user's responsibility to ensure that the product is used in accordance with local laws and regulations.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Required Tools:** You will need the following items included in the package:

- x1 Strike Shotgun Barrel Clamp QD side
- x1 Strike Shotgun Barrel Clamp Picatinny side
- x2 Set screws (M5x14mm)
- x1 Hex tool [4mm]
- x1 Loctite® Threadlocker Blue 243®
- x1 Warning card

2. **Choose Your Configuration:** Decide which side you want to mount the Picatinny rail or the QD socket.

### 3. Attach the Clamp:

- Align the clamp with the shotgun barrel and feed tube.
- Insert the set screws into the designated holes on the clamp.
- Use the hex tool to tighten the screws until secure, being careful not to overtighten.

### 4. Install Accessories:

- If using the Picatinny rail, mount your weapon light or accessory as needed.
- For the QD socket, attach your sling according to the manufacturer's instructions.

5. **Final Check:** Ensure that all components are securely fastened and that the clamp is stable.

## Usage Guidelines

- Always check the clamp's stability and the function of the QD mount before each use.
- Maintain the product regularly to prevent wear and ensure optimal performance.
- Store the shotgun with the clamp in a safe position when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of in household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's contact information provided with the product packaging.
