

# MODULAR CHASSIS (SMC) BLAST SHIELD ALPHA (Standard) - STRIKE INDUSTRIES BLAST SHIELD FOR MODULAR CHASSIS (SMC)- ALPHA (STANDARD)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

**WARNING:** Blast Shield CANNOT BE USED with SMC Spare Magazine Holder and full size weapon lights even with the additional Picatinny rail length on this SMC Blast Shield. To use a full size weapon light with the SMC Spare Magazine Holder on this Standard version of the SMC Blast Shield, the Olight Baldr Mini Tactical Light and similar fitment are the only options at this time. The Blast Shield for Strike Modular Chassis (SMC) - ALPHA (Standard) was designed to protect your thumb from muzzle blast and heat. The SMC Blast Shield redirects muzzle blast forward and upward away from the shooters face. For attaching more variety of accessories, this Blast Shield adds more Picatinny rail length. Machined from 6061-T6 aluminum gives this metal good thermal conductivity and dissipates heat quicker than steel. Not only for the Strike Modular Chassis, this Blast Shield can fit most pistol frames with a max width of 21.20mm(0.84"). Lightweight and high-strength, the Blast Shield for Strike Modular Chassis (SMC) - ALPHA (Standard) protects the shooter and adds more room for accessories to customize your specific setup.

**COMPATIBILITY:** Strike Modular Chassis (SMC) - ALPHA (Standard) Some pistol frames (max width of 21.20mm(0.84")) with 1913 Picatinny rail **NOT**

**COMPATIBLE:** With SMC Spare Magazine Holder and full size weapon lights even with the additional Picatinny rail length on this Standard Blast Shield Use of SMC Blast Shield will void any fitment with any holsters unless specifically made for this setup Package Contents: x1 Blast Shield for Strike Modular Chassis (SMC) - ALPHA (Standard) x1 Set screw (M5x30mm) x1 Nut (M5) x1

Torx tool [T27] Product Features: Shield thumb from muzzle blast and heat

# MODULAR CHASSIS (SMC) BLAST SHIELD ALPHA

## Safety Instruction Guide

### Introduction

Thank you for choosing the MODULAR CHASSIS (SMC) BLAST SHIELD ALPHA (Standard) by Strike Industries. This product is designed to enhance your shooting experience by providing protection from muzzle blast and heat. It is important to read and understand this safety instruction guide to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

#### • Compatibility:

- The Blast Shield cannot be used with the SMC Spare Magazine Holder or fullsize weapon lights, even with additional Picatinny rail length.
- Only use the Olight Baldr Mini Tactical Light or similar fitments with the SMC Spare Magazine Holder on this Standard version of the SMC Blast Shield.

#### • Installation and Fitment:

- Ensure proper fitment to avoid compromising safety.
- The Blast Shield is designed for Strike Modular Chassis (SMC) ALPHA (Standard) and certain pistol frames with a maximum width of 21.20mm (0.84").

#### • Heat Awareness:

- The aluminum material dissipates heat quickly; however, be cautious of heat buildup during prolonged use.

#### • Personal Protection:

- Always wear appropriate personal protective equipment (PPE) such as eye and ear protection while using firearms.

#### • Maintenance:

- Regularly check and maintain the Blast Shield to ensure it is in good working condition.

### Instructions for Installation and Usage

#### 1. Unboxing:

- Carefully remove the Blast Shield and all included components from the packaging.
- Ensure you have the following items:

- x1 Blast Shield for Strike Modular Chassis (SMC) ALPHA (Standard)
- x1 Set screw (M5x30mm)
- x1 Nut (M5)
- x1 Torx tool [T27]

## 2. Installation:

- Align the Blast Shield with the designated mounting area on the SMC chassis.
- Secure the Blast Shield using the provided set screw and nut. Use the Torx tool [T27] for tightening.
- Ensure that the Blast Shield is firmly attached and does not move.

## 3. Usage:

- After installation, check the fitment again before use.
- When using the Blast Shield, maintain a safe distance from the muzzle and avoid pointing the firearm at yourself or others.
- Monitor the temperature of the Blast Shield during extended usage to prevent burns.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum materials where available.

## Contact Information for Further Support

For any inquiries or further assistance regarding the MODULAR CHASSIS (SMC) BLAST SHIELD ALPHA (Standard), please contact the manufacturer or refer to the product's official website for resources and support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MODULAR CHASSIS (SMC) BLAST SHIELD ALPHA (Standard). Always prioritize safety and stay informed about best practices in firearm handling and accessory usage.
