

# ENHANCED FOREGRIPS FOR M-LOK COMPATIBLE RIFLES - ENHANCED FOREGRIP FOR AR-15 RIFLE, MULTICAM, BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

The ESD EFG (Enhanced Fore Grip) was designed to ease end-users ability to control their rifle, mitigate recoil, and have faster, more accurate follow-through. From the angle of the ESD EFG to the width, it's made with human-centered design in mind. Its angle allows your wrist to be better aligned with your forearm thus strengthening your overall grip. The width of the ESD EFG fits perfectly with the length of the proximal flange of a user's hand. This is important because it means your fingers are getting a more consistent and reliable grip than that of standard rifle grips. The ESD EFG has grooves all along the main curve and on the back of the grip. This allows for more consistency when your hands are wet or while wearing gloves. The grooves and the flat wall on the back section of the ESD EFG allow for more stability in unconventional shooting positions and on barricades. The hook on the bottom of the ESD EFG helps maintain a consistent placement of your hand without the risk of slippage during sustained fire. The hook also benefits the end-user when utilizing barricades to help capture and stabilize the firearm. The ESD EFG is made up of a Nylon material designed to withstand significant amounts of force and high temperatures. The material is known for taking abuse and when broken it tears vs cracking. This is important because if you do manage to damage your EFG it won't be rendered useless and will allow you to finish the job at hand. The ESD EFGs are manufactured in Ranger Green, Flat Dark Earth (FDE), and Multicam are all cerakoted by friends at Weichel Coatings. ESD found their coatings to be the most consistent, and color and camo accurate. The ESD EFG is also compliant with firearms that are classified as pistols and is not classified as a vertical grip.

## Attributes

- Name: [ENHANCED FOREGRIP FOR AR-15 RIFLE, MULTICAM, BLACK](#)
- Manufacturer: [Edgar Sherman Design](#)
- Product no.: 430105398
- Mfr. No.: EFG-1.5-MCB
- Attachment: M-LOK
- Color: Multi-Cam Black
- Make: AR-15
- Material: Polymer
- Delivery weight: 0.045kg
- Shipping height: 19mm
- Shipping width: 76mm
- Shipping length: 89mm
- UPC: 850027445489

## Item details

Made in USA

US export classification: 0A501.y.1

# Enhanced Foregrips for MLOK Compatible Rifles

## Safety Instruction Guide

### Introduction

Thank you for choosing the Enhanced Foregrips for MLOK Compatible Rifles. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before use to understand the safety precautions and proper installation procedures.

### General Safety Guidelines

- **Product Safety:** Ensure safe use of the Enhanced Foregrip by following all guidelines. This product is designed for MLOK compatible rifles, specifically the AR15 model.
- **Enhanced Recalls:** Stay informed about potential recalls. If a recall occurs, you will receive standardized notices and free remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions are necessary for vulnerable groups, including children. Keep all firearm accessories out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to your local EU based contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster updates on unsafe products.

### Specific Safety Precautions for Use

- **Proper Handling:** Always handle your rifle with care. Ensure the firearm is unloaded before attaching or adjusting the foregrip.
- **Check for Damage:** Inspect the Enhanced Foregrip for any signs of damage before use. Do not use if damaged.
- **Proper Fit:** Ensure the foregrip is properly attached to the rifle. A loose grip can lead to accidents.
- **Use in Safe Environments:** Avoid using the foregrip in environments where there may be a risk of accidental discharge.
- **Wear Protective Gear:** Use appropriate eye and ear protection when handling firearms.
- **Avoid Modifications:** Do not modify the Enhanced Foregrip. Alterations may compromise safety and performance.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Locate the MLOK slots on the rifle's handguard.
- Align the Enhanced Foregrip with the desired MLOK slot.
- Insert the mounting screws through the foregrip and into the MLOK slots.
- Tighten the screws securely using an appropriate tool. Ensure there is no movement in the grip.

#### 2. Usage:

- Grip the Enhanced Foregrip firmly with your dominant hand.
- Align your wrist with your forearm for optimal control.
- Utilize the grooves for a secure grip, especially in wet conditions or while wearing gloves.
- Use the hook at the bottom to maintain a consistent hand placement during shooting.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the Enhanced Foregrip in accordance with local regulations.
- **Material Recycling:** If the foregrip is made from recyclable materials, ensure it is recycled properly.
- **NonRecyclable Waste:** If not recyclable, dispose of it as nonhazardous waste.

## Contact Information for Further Support

For any questions or further support regarding the Enhanced Foregrips for MLOK Compatible Rifles, please refer to your local retailer or manufacturer. They can provide additional assistance and information about your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your Enhanced Foregrips. Thank you for your attention to these important safety instructions.
