

# MAGWELLS FOR GEN 5 GLOCK HANDGUN - Edgar Sherman Design

## MAGWELL FOR GLOCK GEN 5 FLAT DARK EARTH

[Handgun Parts](#) > [Frame Parts](#) > [Magazine Wells](#)

The ESD Magwell enhances your reloading with a purpose-driven flare. Every curve, every angle, and every feature on the ESD Magwell is intentional and aligns with ESD's mission to enhance a shooter's capabilities using human-centered design. Featuring symmetrical side cutouts for stripping magazines, the ESD Magwell allows for easy removal of flush-fitting magazines as well as those that have an extension. Additionally, a third cut-out is located on the front of the ESD Magwell. This third cut-out is especially useful in low light/ no light conditions and serves as a reference point for the shooter and allows them to focus on the task at hand rather than worrying about fumbling a magazine during a reload. It can also be used as an additional access point for stripping magazines. This product currently fits only Glock double-stack Gen 5 pistols chambered in 9mm and .40. Generation 3 and 4 magwells are in development and will be released at a later time. NOTE: Glock 19's plug angle is different from full-frame Glocks and requires some modification to work.

### Attributes

- Name: [Edgar Sherman Design MAGWELL FOR GLOCK GEN 5 FLAT DARK EARTH](#)
- Manufacturer: [Edgar Sherman Design](#)
- Product no.: 430105401
- Mfr. No.: ESD-MW-G5-FDE

# Safety Instruction Guide for ESD Magwell for Glock Gen 5

## Introduction

Thank you for choosing the ESD Magwell for Glock Gen 5. This guide provides essential safety information and instructions to ensure the safe and effective use of your new product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is compatible with your Glock doublestack Gen 5 pistol chambered in 9mm and .40.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety updates regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not modify the ESD Magwell beyond the recommended adjustments for Glock 19, as improper modifications can lead to malfunctions.
- Ensure that the firearm is unloaded before installing the Magwell.
- Avoid using the Magwell in conditions where visibility is severely limited unless you are familiar with its features.
- Be aware of your surroundings while reloading to prevent accidents.
- Practice reloading with the Magwell in a safe environment to become familiar with its functionality.

## Instructions for Installation and Usage

### Installation Steps

1. **Ensure Safety:** Confirm that your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Parts:** If applicable, remove any existing magwell or components from your Glock Gen 5.
3. **Align the Magwell:** Position the ESD Magwell against the grip of your Glock, ensuring that it aligns properly with the frame.
4. **Secure the Magwell:** Follow the manufacturer's instructions to secure the Magwell in place. Ensure that it is firmly attached without excessive force.
5. **Check Functionality:** Test the fit with your magazines to ensure smooth insertion and removal. Make any necessary adjustments.

### Usage Guidelines

- Use the ESD Magwell to facilitate faster magazine changes during shooting.
- The symmetrical side cutouts are designed for easy stripping of magazines. Familiarize yourself with their location and function.
- Utilize the third cutout for reference during low light or no light conditions to aid in magazine changes.
- Practice using the Magwell in various lighting conditions to enhance your reloading skills.

## Disposal Instructions

- Dispose of the ESD Magwell in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding the ESD Magwell for Glock Gen 5, please refer to the manufacturer's contact information included with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced shooting experience with the ESD Magwell!
