

MAGWELLS FOR GEN 5 GLOCK HANDGUN - MAGWELL FOR GLOCK GEN 5 OLIVE DRAB GREEN

[Home](#)

The ESD Magwell enhances your reloading with a purpose-driven flare. Every curve, every angle, and every feature on the ESD Magwell is intentional and aligns with ESD's mission to enhance a shooter's capabilities using human-centered design. Featuring symmetrical side cutouts for stripping magazines, the ESD Magwell allows for easy removal of flush-fitting magazines as well as those that have an extension. Additionally, a third cut-out is located on the front of the ESD Magwell. This third cut-out is especially useful in low light/ no light conditions and serves as a reference point for the shooter and allows them to focus on the task at hand rather than worrying about fumbling a magazine during a reload. It can also be used as an additional access point for stripping magazines. This product currently fits only Glock double-stack Gen 5 pistols chambered in 9mm and .40. Generation 3 and 4 magwells are in development and will be released at a later time. NOTE: Glock 19's plug angle is different from full-frame Glocks and requires some modification to work.

Attributes

- Name: [MAGWELL FOR GLOCK GEN 5 OLIVE DRAB GREEN](#)
- Manufacturer: [Edgar Sherman Design](#)
- Product no.: 430105402

Safety Instruction Guide for MAGWELLS FOR GEN 5 GLOCK HANDGUN

Introduction

Thank you for choosing the MAGWELLS FOR GEN 5 GLOCK HANDGUN. This guide is designed to provide you with important safety information, installation instructions, and usage tips to ensure safe and effective operation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Glock Gen 5 handgun before installing the magwell.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the magwell and your firearm free from dirt, debris, and moisture to maintain optimal performance.
- Inspect the magwell regularly for wear or damage. Do not use it if it shows signs of damage.
- Store the magwell and your firearm in a secure location, away from children and unauthorized users.
- If you experience any issues or concerns with your magwell, discontinue use and seek assistance.

Specific Safety Precautions for Use

- This magwell is designed specifically for Glock doublestack Gen 5 pistols chambered in 9mm and .40. Do not attempt to use it with other models or calibers.
- The Glock 19's plug angle is different from fullframe Glocks and may require modification for proper fitment.
- Be cautious when stripping magazines, especially in low light or no light conditions. Familiarize yourself with the third cutout feature for easier handling.
- Always ensure that your firearm is unloaded before installing or removing the magwell.
- Avoid placing your fingers near the magazine release button while reloading to prevent accidental discharges.

Instructions for Installation and Usage

1. Installation:

- Ensure your Glock Gen 5 handgun is unloaded.
- Align the magwell with the grip of the handgun.
- Press the magwell into place until it is securely fitted.
- If necessary, make any required modifications for a proper fit, particularly for Glock 19 models.

2. Usage:

- When reloading, guide the magazine into the magwell using a smooth and steady motion.
- Utilize the symmetrical side cutouts for efficient stripping of magazines.
- In low light conditions, use the third cutout as a reference point to assist with magazine handling.
- Practice reloading with the magwell in a safe environment to become accustomed to its features.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations and guidelines for plastic waste.
- Do not dispose of the magwell in fire, as it may release harmful substances.
- If the magwell is damaged beyond use, consider recycling it if applicable.

Contact Information for Further Support

For any inquiries or support regarding the MAGWELLS FOR GEN 5 GLOCK HANDGUN, please refer to the manufacturer's contact information provided on the product packaging or official website.

By adhering to these guidelines and instructions, you can ensure a safe and effective experience with your MAGWELLS FOR GEN 5 GLOCK HANDGUN. Thank you for your attention to safety.
