

QRB UPPER RECEIVER TAKEDOWN KITS W/ LAW FOLDING ADAPTER - BROWNELLS QRB UPPER TAKEDOWN KIT MID-LENGTH W/ FOLDING STOCK ADAPATER

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

The Cry Havoc Tactical QRB (Quick Release Barrel) 2 Pin Upper Receiver Takedown Kit for AR-15 style rifles or pistols. While the QRB was primarily designed for the civilian market, non-civilian applications range from the Air Force using the QRB on the Air Crew Survival Weapon (GAU-5A) for ALL Fighters and Bombers, Motorcycle Police who did not have room for a standard AR-15/M4, to Operators in areas where an exposed AR-15/M4 might bring unwanted attention. In these and other cases, where there is a need for an AR-15/M4, the QRB now makes it possible to fit a rifle into a tight space but still have a usable barrel length for increased velocity. Assemble and Fire in seconds, even in low light. Able to KEEP strong hand on grip - Nothing to Depress or twist with strong hand. Use gross motor skills to assemble due to two-piece gas system. No lining up tiny gas access hole with gas tube first. Able to use a wide range of Free Float Hand Guards for the attachment of Back-up Iron Sights and accessories. Super-fast barrel and upper cleaning. The QRB can retain POA/POI as the barrel still "head-spaces" off the stock positions (our tests have shown accuracy retained to less than 1 MOA of original rifle setup). With the purchase of an additional Barrel Lock Plate, switching to a different barrel length or caliber, like the 300 Blackout, takes just seconds. Proudly made in the USA The QRB Kit can only be used on Barrels with a maximum outside diameter of 0.985" and Free Float Hand Guards with a maximum width of 2.0". Also the QRB will add 1.5" to the length of your free-floating hand guard. To purchase the proper kit simply selection the gas tube option that matches up with your barrels gas system length. A kit designed for pistol caliber AR's that does not include a gas tube is available as well. Includes Barrel Plate, Receiver Plate, Star Nut, and Receiver Plate alignment Pin. Law Tactical's steel adapter enables installation of a folding stock on any AR-15 to create a smaller-profile rifle for easy deployment from a vehicle or transport in non-permissive environments. Works with standard gas impingement OR gas piston system. Accepts A2, mil-spec M4-style, and commercial carbine receiver extension tube and almost any stock that fits them. Compatible with all standard bolt carrier groups, including full-auto and .308 size. Single-button operation for quick folding and unfolding and steel locking latch keeps stock securely in place when extended. Gen3-M has a lowered hinge to avoid interference when charging the weapon, and a setscrew keeps the adapter securely affixed to the receiver. Hinge tension is adjustable so you can choose how stiff the folding mechanism is. Includes special bolt carrier extension (no tools to install/remove). Current version utilizes standard buffer retaining pin and spring. Will only work with compatible Centerfire and Mil-Spec carriers, or compatible AR 9mm Bolts. SPECS: Machined 4140 steel, matte black. Adds 1.3" (3.4cm) to length of pull. 8.5 oz. (241g) wt. Do not fire rifle with stock folded.

QRB Upper Receiver Takedown Kit Safety Instructions

Introduction

Thank you for choosing the QRB Upper Receiver Takedown Kit with Law Folding Adapter. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow these guidelines carefully to maximize your safety and the performance of your equipment.

General Safety Guidelines

- Ensure that you are familiar with the operation of AR15 style rifles or pistols before using this product.
- Always treat every firearm as if it is loaded, even if you believe it to be unloaded.
- Store the QRB Upper Receiver Takedown Kit and your firearm in a secure location, out of reach of children and unauthorized users.
- Use only compatible components and accessories with the QRB Kit to prevent malfunctions or accidents.
- Regularly inspect the kit and your firearm for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Do not fire the rifle with the stock folded. This can cause damage to the firearm and pose a safety risk.
- Ensure that the barrel you are using has a maximum outside diameter of 0.985 inches and that your Free Float Hand Guards have a maximum width of 2.0 inches to maintain compatibility with the QRB Kit.
- When assembling the kit, keep your strong hand on the grip at all times to avoid accidental discharge.
- Use gross motor skills to assemble the kit, as it is designed for quick and efficient setup without the need for precise alignment of small components.
- Always wear appropriate eye and ear protection when using firearms.

Instructions for Installation and Usage

1. Installation of the QRB Upper Receiver Takedown Kit:

- Ensure your firearm is unloaded and the safety is engaged.
- Remove the existing upper receiver from the lower receiver of your AR15.
- Attach the QRB Receiver Plate to the lower receiver using the provided alignment pin and star nut.
- Connect the Barrel Plate to the upper receiver.
- Align the gas tube with the gas block, ensuring it matches the gas system length you have selected.
- Securely attach the upper receiver to the lower receiver.

2. Using the Law Tactical Folding Adapter:

- Install the Law Tactical adapter according to the manufacturer's instructions.
- Ensure that the hinge tension is adjusted to your preference for ease of folding and unfolding.
- Confirm that the adapter is securely affixed to the receiver before use.
- To fold the stock, press the singlebutton operation and gently fold the stock against the receiver.
- To unfold, press the button again and return the stock to its extended position.

3. Maintenance:

- Regularly clean the upper receiver and barrel to maintain optimal performance.
- Inspect the folding mechanism of the Law Tactical adapter for any signs of wear or damage.

- Ensure that all components are functioning correctly before each use.

Disposal Instructions

- Dispose of all packaging materials responsibly and in accordance with local regulations.
- If the QRB Upper Receiver Takedown Kit or any of its components become damaged beyond repair, dispose of them in a manner that prevents accidental use.
- Follow local regulations for the disposal of firearms and firearm accessories.

Contact Information for Further Support

For any inquiries or further support regarding the QRB Upper Receiver Takedown Kit, please refer to the manufacturer's official website or customer support channels. Always ensure that you have the latest information and updates regarding product safety and usage.

By following these safety instructions and guidelines, you can enjoy the benefits of the QRB Upper Receiver Takedown Kit while ensuring your safety and the safety of those around you. Thank you for your attention to these important details.
