

QRB UPPER RECEIVER TAKEDOWN KITS W/ LAW FOLDING ADAPTER - BROWNELLS QRB UPPER TAKEDOWN KIT PISTOL W/ FOLDING STOCK ADAPATER

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

The Cry Havoc Tactical QRB (Quick Release Barrel) 2 Pin Upper Receiver Takedown Kit for AR-15 style rifles or pistols. While the QRB was primarily designed for the civilian market, non-civilian applications range from the Air Force using the QRB on the Air Crew Survival Weapon (GAU-5A) for ALL Fighters and Bombers, Motorcycle Police who did not have room for a standard AR-15/M4, to Operators in areas where an exposed AR-15/M4 might bring unwanted attention. In these and other cases, where there is a need for an AR-15/M4, the QRB now makes it possible to fit a rifle into a tight space but still have a usable barrel length for increased velocity. Assemble and Fire in seconds, even in low light. Able to KEEP strong hand on grip - Nothing to Depress or twist with strong hand. Use gross motor skills to assemble due to two-piece gas system. No lining up tiny gas access hole with gas tube first. Able to use a wide range of Free Float Hand Guards for the attachment of Back-up Iron Sights and accessories. Super-fast barrel and upper cleaning. The QRB can retain POA/POI as the barrel still "head-spaces" off the stock positions (our tests have shown accuracy retained to less than 1 MOA of original rifle setup). With the purchase of an additional Barrel Lock Plate, switching to a different barrel length or caliber, like the 300 Blackout, takes just seconds. Proudly made in the USA The QRB Kit can only be used on Barrels with a maximum outside diameter of 0.985" and Free Float Hand Guards with a maximum width of 2.0". Also the QRB will add 1.5" to the length of your free-floating hand guard. To purchase the proper kit simply selection the gas tube option that matches up with your barrels gas system length. A kit designed for pistol caliber AR's that does not include a gas tube is available as well. Includes Barrel Plate, Receiver Plate, Star Nut, and Receiver Plate alignment Pin. Law Tactical's steel adapter enables installation of a folding stock on any AR-15 to create a smaller-profile rifle for easy deployment from a vehicle or transport in non-permissive environments. Works with standard gas impingement OR gas piston system. Accepts A2, mil-spec M4-style, and commercial carbine receiver extension tube and almost any stock that fits them. Compatible with all standard bolt carrier groups, including full-auto and .308 size. Single-button operation for quick folding and unfolding and steel locking latch keeps stock securely in place when extended. Gen3-M has a lowered hinge to avoid interference when charging the weapon, and a setscrew keeps the adapter securely affixed to the receiver. Hinge tension is adjustable so you can choose how stiff the folding mechanism is. Includes special bolt carrier extension (no tools to install/remove). Current version utilizes standard buffer retaining pin and spring. Will only work with compatible Centerfire and Mil-Spec carriers, or compatible AR 9mm Bolts. SPECS: Machined 4140 steel, matte black. Adds 1.3" (3.4cm) to length of pull. 8.5 oz. (241g) wt. Do not fire rifle with stock folded.

QRB Upper Receiver Takedown Kit Safety Instructions

Introduction

Thank you for choosing the QRB Upper Receiver Takedown Kit with Law Folding Adapter. This product is designed for use with AR15 style rifles and pistols, providing versatility and ease of use. To ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded when assembling or disassembling.
- Use proper personal protective equipment (PPE) such as eye and ear protection when using firearms.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear and damage.
- Follow all local laws and regulations regarding firearms.

Specific Safety Precautions for Use

- Ensure that the QRB Kit is compatible with your specific firearm model before installation.
- Do not exceed the maximum outside diameter of 0.985 inches for barrels and 2.0 inches for Free Float Hand Guards.
- The QRB Kit adds 1.5 inches to the length of your Free Float Hand Guard; ensure this does not interfere with your firearm's operation.
- Only use barrels and accessories that are designed for use with the QRB Kit.
- Do not fire the rifle with the stock folded; this could cause injury or damage to the firearm.
- Be aware that the folding mechanism is adjustable; ensure it is set to your desired tension before use.
- Regularly check the hinge tension and locking latch to ensure they are functioning correctly.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and that you are in a safe environment.
2. **Assemble the QRB Kit:**
 - Attach the Barrel Plate to the barrel, ensuring it is securely fastened.
 - Align the Receiver Plate with the receiver and attach it using the provided alignment pin.
 - Install the Star Nut according to the instructions provided in the kit.
3. **Install the Law Tactical Adapter:**
 - Follow the instructions specific to the Law Tactical adapter for folding stock installation.
 - Ensure that it is securely attached to the receiver and that the stock can fold and unfold easily.
4. **Inspect:** Doublecheck all connections and ensure that everything is secure before proceeding to use the firearm.

Usage

- When ready to use the firearm, ensure that the stock is fully extended and locked in place.
- Use the firearm in a safe and controlled environment, following all safety guidelines provided.
- Maintain a firm grip on the firearm while using it, especially when operating the folding mechanism.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the QRB Kit or any components become damaged or worn beyond safe use, follow local guidelines for the disposal of metal and plastic materials.
- Do not dispose of any firearm components in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, compatibility, or usage of the QRB Upper Receiver Takedown Kit, please consult the manufacturer's website or customer service resources. It is crucial to ensure that you have the most accurate and up-to-date information regarding your product.

Remember, safety is paramount when handling firearms and their accessories. Always stay informed and cautious to ensure a safe shooting experience.
