

# QRB UPPER RECEIVER TAKEDOWN KITS W/ LAW FOLDING ADAPTER - BROWNELLS QRB UPPER TAKEDOWN KIT RIFLE W/ FOLDING STOCK ADAPATER

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

The Cry Havoc Tactical QRB (Quick Release Barrel) 2 Pin Upper Receiver Takedown Kit for AR-15 style rifles or pistols. While the QRB was primarily designed for the civilian market, non-civilian applications range from the Air Force using the QRB on the Air Crew Survival Weapon (GAU-5A) for ALL Fighters and Bombers, Motorcycle Police who did not have room for a standard AR-15/M4, to Operators in areas where an exposed AR-15/M4 might bring unwanted attention. In these and other cases, where there is a need for an AR-15/M4, the QRB now makes it possible to fit a rifle into a tight space but still have a usable barrel length for increased velocity. Assemble and Fire in seconds, even in low light. Able to KEEP strong hand on grip - Nothing to Depress or twist with strong hand. Use gross motor skills to assemble due to two-piece gas system. No lining up tiny gas access hole with gas tube first. Able to use a wide range of Free Float Hand Guards for the attachment of Back-up Iron Sights and accessories. Super-fast barrel and upper cleaning. The QRB can retain POA/POI as the barrel still "head-spaces" off the stock positions (our tests have shown accuracy retained to less than 1 MOA of original rifle setup). With the purchase of an additional Barrel Lock Plate, switching to a different barrel length or caliber, like the 300 Blackout, takes just seconds. Proudly made in the USA The QRB Kit can only be used on Barrels with a maximum outside diameter of 0.985" and Free Float Hand Guards with a maximum width of 2.0". Also the QRB will add 1.5" to the length of your free-floating hand guard. To purchase the proper kit simply selection the gas tube option that matches up with your barrels gas system length. A kit designed for pistol caliber AR's that does not include a gas tube is available as well. Includes Barrel Plate, Receiver Plate, Star Nut, and Receiver Plate alignment Pin. Law Tactical's steel adapter enables installation of a folding stock on any AR-15 to create a smaller-profile rifle for easy deployment from a vehicle or transport in non-permissive environments. Works with standard gas impingement OR gas piston system. Accepts A2, mil-spec M4-style, and commercial carbine receiver extension tube and almost any stock that fits them. Compatible with all standard bolt carrier groups, including full-auto and .308 size. Single-button operation for quick folding and unfolding and steel locking latch keeps stock securely in place when extended. Gen3-M has a lowered hinge to avoid interference when charging the weapon, and a setscrew keeps the adapter securely affixed to the receiver. Hinge tension is adjustable so you can choose how stiff the folding mechanism is. Includes special bolt carrier extension (no tools to install/remove). Current version utilizes standard buffer retaining pin and spring. Will only work with compatible Centerfire and Mil-Spec carriers, or compatible AR 9mm Bolts. SPECS: Machined 4140 steel, matte black. Adds 1.3" (3.4cm) to length of pull. 8.5 oz. (241g) wt. Do not fire rifle with stock folded.

## Attributes

- Name: [BROWNELLS QRB UPPER TAKEDOWN KIT RIFLE W/ FOLDING STOCK ADAPATER](#)

# QRB Upper Receiver Takedown Kits Safety Instruction Guide

## Introduction

Thank you for purchasing the QRB Upper Receiver Takedown Kit with Law Folding Adapter. This product is designed for use with AR15 style rifles or pistols. The QRB system allows for quick assembly and disassembly, making it ideal for various applications. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure the safe use of the QRB Upper Receiver Takedown Kit, please follow these guidelines:

- Always treat the firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your surroundings and ensure a safe backdrop when firing.
- Always wear appropriate eye and ear protection when using the firearm.
- Store the QRB Kit and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the QRB Kit for any signs of wear or damage before use.

## Specific Safety Precautions for Use

To avoid potential hazards associated with the QRB Upper Receiver Takedown Kit, please observe the following precautions:

- Ensure that the barrel used with the QRB Kit has a maximum outside diameter of 0.985 inches.
- Use only Free Float Hand Guards with a maximum width of 2.0 inches.
- Do not fire the rifle with the stock folded.
- Use only compatible barrels and gas systems as specified in the product documentation.
- Ensure that the folding stock is securely locked in place before firing.
- Adjust hinge tension according to personal preference, ensuring it does not interfere with weapon operation.
- Be aware that the QRB will add 1.5 inches to the length of your freefloating hand guard.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the QRB Upper Receiver Takedown Kit:

### Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Assemble the QRB Kit:**
  - Attach the Barrel Plate to the barrel.
  - Secure the Receiver Plate to the upper receiver.
  - Insert the Star Nut and align it with the Receiver Plate using the alignment pin.
3. **Install the Law Tactical Adapter:**
  - Follow the manufacturer's instructions for installing the Law Tactical adapter.
  - Ensure compatibility with your specific gas system and receiver extension tube.
4. **Check for Stability:** Ensure all components are securely fastened before proceeding.

## Usage

### 1. **Firing:**

- Ensure the stock is fully extended and locked in place.
- Use gross motor skills to assemble the QRB Kit, avoiding the need to align small components.
- Fire the firearm in a controlled and safe manner.

### 2. **Disassembly:**

- To disassemble, follow the reverse order of assembly.
- Ensure the firearm is unloaded and pointed in a safe direction during disassembly.

## Disposal Instructions

When disposing of the QRB Upper Receiver Takedown Kit, please follow these guidelines:

- Dispose of any damaged or worn components in accordance with local regulations.
- If the product is no longer usable, contact local waste management authorities for proper disposal methods.
- Ensure that all firearm components are disposed of safely to prevent unauthorized use.

## Contact Information for Further Support

For any inquiries or further assistance regarding the QRB Upper Receiver Takedown Kit, please refer to the product documentation or visit the manufacturer's website for support resources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your QRB Upper Receiver Takedown Kit. Always prioritize safety and responsible usage.
