

QRB UPPER RECEIVER TAKEDOWN KITS W/ LAW FOLDING ADAPTER - BROWNELLS QRB UPPER TAKEDOWN KIT NO GT W/ FOLDING STOCK ADAPATER

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Hardware](#) > [Handguard Hardware](#)

The Cry Havoc Tactical QRB (Quick Release Barrel) 2 Pin Upper Receiver Takedown Kit for AR-15 style rifles or pistols. While the QRB was primarily designed for the civilian market, non-civilian applications range from the Air Force using the QRB on the Air Crew Survival Weapon (GAU-5A) for ALL Fighters and Bombers, Motorcycle Police who did not have room for a standard AR-15/M4, to Operators in areas where an exposed AR-15/M4 might bring unwanted attention. In these and other cases, where there is a need for an AR-15/M4, the QRB now makes it possible to fit a rifle into a tight space but still have a usable barrel length for increased velocity. Assemble and Fire in seconds, even in low light. Able to KEEP strong hand on grip - Nothing to Depress or twist with strong hand. Use gross motor skills to assemble due to two-piece gas system. No lining up tiny gas access hole with gas tube first. Able to use a wide range of Free Float Hand Guards for the attachment of Back-up Iron Sights and accessories. Super-fast barrel and upper cleaning. The QRB can retain POA/POI as the barrel still "head-spaces" off the stock positions (our tests have shown accuracy retained to less than 1 MOA of original rifle setup). With the purchase of an additional Barrel Lock Plate, switching to a different barrel length or caliber, like the 300 Blackout, takes just seconds. Proudly made in the USA The QRB Kit can only be used on Barrels with a maximum outside diameter of 0.985" and Free Float Hand Guards with a maximum width of 2.0". Also the QRB will add 1.5" to the length of your free-floating hand guard. To purchase the proper kit simply selection the gas tube option that matches up with your barrels gas system length. A kit designed for pistol caliber AR's that does not include a gas tube is available as well. Includes Barrel Plate, Receiver Plate, Star Nut, and Receiver Plate alignment Pin. Law Tactical's steel adapter enables installation of a folding stock on any AR-15 to create a smaller-profile rifle for easy deployment from a vehicle or transport in non-permissive environments. Works with standard gas impingement OR gas piston system. Accepts A2, mil-spec M4-style, and commercial carbine receiver extension tube and almost any stock that fits them. Compatible with all standard bolt carrier groups, including full-auto and .308 size. Single-button operation for quick folding and unfolding and steel locking latch keeps stock securely in place when extended. Gen3-M has a lowered hinge to avoid interference when charging the weapon, and a setscrew keeps the adapter securely affixed to the receiver. Hinge tension is adjustable so you can choose how stiff the folding mechanism is. Includes special bolt carrier extension (no tools to install/remove). Current version utilizes standard buffer retaining pin and spring. Will only work with compatible Centerfire and Mil-Spec carriers, or compatible AR 9mm Bolts. SPECS: Machined 4140 steel, matte black. Adds 1.3" (3.4cm) to length of pull. 8.5 oz. (241g) wt. Do not fire rifle with stock folded.

QRB Upper Receiver Takedown Kits Safety Instruction Guide

Introduction

Thank you for choosing the QRB Upper Receiver Takedown Kit with Law Folding Adapter. This product is designed for use with AR15 style rifles and pistols. It is important to read and understand this safety instruction guide to ensure safe and proper use of the product. This guide complies with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the area is clear of people and obstacles before assembling or disassembling the firearm.
- Wear appropriate protective gear, including safety glasses and hearing protection, when using the firearm.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms.

Specific Safety Precautions for Use

- Do not fire the rifle with the stock folded.
- Ensure that the barrel used with the QRB Kit has a maximum outside diameter of 0.985 inches.
- Use only Free Float Hand Guards with a maximum width of 2.0 inches.
- Be aware that the QRB will add 1.5 inches to the length of your freefloating hand guard.
- When switching barrels, ensure that the additional Barrel Lock Plate is properly installed.
- Use gross motor skills to assemble the firearm due to the twopiece gas system.
- Avoid lining up the gas access hole with the gas tube first; follow the assembly instructions carefully.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and components, including the Barrel Plate, Receiver Plate, Star Nut, and Receiver Plate alignment Pin.

2. Assemble the QRB Kit:

- Attach the Barrel Plate to the barrel.
- Align the Receiver Plate with the receiver and secure it using the Star Nut.
- Insert the Receiver Plate alignment Pin to ensure proper alignment.

3. Install the Law Tactical Adapter:

- Follow the manufacturer's instructions to install the steel adapter.
- Ensure that the adapter is securely affixed to the receiver using the setscrew.

4. Adjust Hinge Tension:

- Adjust the hinge tension to your preference for the folding mechanism.

Usage

- To fold the stock, press the singlebutton operation to release the locking latch.
- To unfold the stock, pull it out until it clicks into place.
- Always ensure that the stock is securely locked in place before firing.

Maintenance

- Clean the QRB Kit regularly to ensure proper operation.
- Use appropriate cleaning supplies for the materials used in the kit.
- Inspect all components for wear and replace as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or concerns regarding the QRB Upper Receiver Takedown Kit, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your QRB Upper Receiver Takedown Kit. Always prioritize safety and adhere to local laws and regulations when handling firearms.
