MULTI-TASKER M:4 TOOL The MultiTasker M:4 Tool is a precision-engineered, compact multi-tool designed specifically for AR-15/M4 platform enthusiasts and professionals. Machined from solid barstock using wire-EDM/CNC processes, this tool integrates seamlessly into a specially inletted buttpad, ensuring discreet storage without altering the firearm's profile.

Description and Features: The M:4 Tool offers four essential functions tailored for AR-15/M4 maintenance:

- Slot-Tip Screwdriver:** Ideal for adjusting optics and handling slot-head screws.
- Carrier Carbon Scraper:** Efficiently removes carbon buildup from the bolt carrier.
- 4-Prong A2 Front Sight Adjustment Tool:** Allows precise elevation adjustments on standard A2 front sights.
- Extended Phillips Driver:** Facilitates access to deeper set screws and components.

These functions are housed within a durable, corrosion-resistant body, ensuring longevity and reliability in various conditions. The tool's design emphasizes ease of use, allowing for quick deployment and efficient handling during maintenance tasks.

Specifications:

- Material:** Precision-machined solid barstock
- Storage:** Fits discreetly inside a specially inletted buttpad
- Functions:** Slot-tip screwdriver Carrier carbon scraper 4-prong A2 front sight adjustment tool Extended Phillips driver

Customer Insights: Customers of the MultiTasker M:4 Tool appreciate its thoughtful integration into the firearm's buttpad, which maintains the rifle's aesthetics while providing essential tools at their fingertips. The precision machining and durable construction are frequently highlighted, with many noting the convenience of having multiple tools in a single, compact unit. The M:4 Tool is praised for enhancing field maintenance efficiency without adding bulk or complexity to the firearm. Incorporating the MultiTasker M:4 Tool into your AR-15/M4 setup ensures that you have immediate access to critical tools necessary for maintenance and adjustments, thereby enhancing your firearm's performance and reliability in various scenarios.

MultiTasker M:4 Tool Safety Instruction Guide

Introduction

Thank you for choosing the MultiTasker M:4 Tool. This precisionengineered multitool is designed for maintenance of AR15/M4 firearms. To ensure safe and effective use of this product, please read the following safety guidelines and instructions carefully.

General Safety Guidelines

- Always use the MultiTasker M:4 Tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool regularly for any signs of damage or wear. Do not use if damaged.
- Store the tool in a secure location to prevent unauthorized access.
- Follow all local laws and regulations regarding the use and maintenance of firearms.

Specific Safety Precautions for Use

- **SlotTip Screwdriver:** Use only on slothead screws. Ensure the screwdriver fits properly to avoid slipping.
- **Carrier Carbon Scraper:** Use with caution to prevent scratching or damaging the bolt carrier. Apply even pressure when scraping.
- **4Prong A2 Front Sight Adjustment Tool:** Ensure the tool is securely placed before making adjustments to avoid slipping.
- **Extended Phillips Driver:** Use appropriate size and ensure a firm grip to prevent hand injuries.

Instructions for Installation and Usage

1. Installation:

- The MultiTasker M:4 Tool is designed to fit securely within a specially inletted buttpad.
- Ensure that the buttpad is clean and free of debris before inserting the tool.
- Gently slide the tool into the buttpad until it is fully seated.

2. Usage:

- **SlotTip Screwdriver:** Align the screwdriver with the slothead screw. Turn clockwise to tighten and counterclockwise to loosen.
- **Carrier Carbon Scraper:** Position the scraper against the carbon buildup on the bolt carrier. Apply steady pressure and scrape away the buildup.
- **4Prong A2 Front Sight Adjustment Tool:** Insert the tool into the front sight adjustment hole. Turn the tool to adjust the elevation as needed.
- **Extended Phillips Driver:** Align the driver with the Phillips screw. Turn clockwise to tighten and counterclockwise to loosen.

Disposal Instructions

- Dispose of the MultiTasker M:4 Tool responsibly, in accordance with local regulations.
- Do not dispose of the tool in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding the MultiTasker M:4 Tool, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's official website.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your MultiTasker M:4 Tool. Thank you for your attention to safety, and enjoy your tool!
