

M:4 TOOL - MULTI-TASKER M:4 TOOL WITH COYOTE BASE PAD

[Emergency & Survival Gear](#) > [Tools](#) > [Multi-Tool](#)

MULTI-TASKER M:4 TOOL The MultiTasker M:4 Tool is a precision-engineered, compact multi-tool designed specifically for AR-15/M4 platform enthusiasts and professionals. Machined from solid barstock using wire-EDM/CNC processes, this tool integrates seamlessly into a specially inletted buttpad, ensuring discreet storage without altering the firearm's profile.

Description and Features: The M:4 Tool offers four essential functions tailored for AR-15/M4 maintenance:

- Slot-Tip Screwdriver:** Ideal for adjusting optics and handling slot-head screws.
- Carrier Carbon Scraper:** Efficiently removes carbon buildup from the bolt carrier.
- 4-Prong A2 Front Sight Adjustment Tool:** Allows precise elevation adjustments on standard A2 front sights.
- Extended Phillips Driver:** Facilitates access to deeper set screws and components.

These functions are housed within a durable, corrosion-resistant body, ensuring longevity and reliability in various conditions. The tool's design emphasizes ease of use, allowing for quick deployment and efficient handling during maintenance tasks.

Specifications:

- Material:** Precision-machined solid barstock
- Storage:** Fits discreetly inside a specially inletted buttpad
- Functions:** Slot-tip screwdriver Carrier carbon scraper 4-prong A2 front sight adjustment tool Extended Phillips driver

Customer Insights: Customers of the MultiTasker M:4 Tool appreciate its thoughtful integration into the firearm's buttpad, which maintains the rifle's aesthetics while providing essential tools at their fingertips. The precision machining and durable construction are frequently highlighted, with many noting the convenience of having multiple tools in a single, compact unit. The M:4 Tool is praised for enhancing field maintenance efficiency without adding bulk or complexity to the firearm. Incorporating the MultiTasker M:4 Tool into your AR-15/M4 setup ensures that you have immediate access to critical tools necessary for maintenance and adjustments, thereby enhancing your firearm's performance and reliability in various scenarios.

MultiTasker M:4 Tool Safety Instruction Guide

Introduction

Thank you for choosing the MultiTasker M:4 Tool. This precisionengineered multitool is designed for AR15/M4 platform enthusiasts and professionals. To ensure your safety and the optimal performance of your tool, please read and follow the safety instructions carefully.

General Safety Guidelines

- Ensure safe use of the MultiTasker M:4 Tool by following these guidelines:
 - Always inspect the tool for damage before use.
 - Use the tool only for its intended purpose as outlined in the product description.
 - Keep the tool out of reach of children and unauthorized users.
 - Store the tool in a secure location, preferably in its designated buttpad storage.
 - In case of any malfunction or damage, cease use immediately and seek assistance.
- Be aware of potential hazards:
 - Sharp edges from tools can cause cuts or injuries.
 - Improper use may lead to damage to the firearm or personal injury.
 - Ensure that the tool is dry and clean before use to prevent slips and accidents.

Specific Safety Precautions for Use

- Before using the MultiTasker M:4 Tool, please observe the following precautions:
 - Always wear appropriate personal protective equipment (PPE), such as gloves and safety glasses.
 - Use the SlotTip Screwdriver carefully to avoid slipping and injuring yourself.
 - When using the Carrier Carbon Scraper, ensure that the firearm is unloaded and pointed in a safe direction.
 - For the 4Prong A2 Front Sight Adjustment Tool, make adjustments slowly to avoid sudden movements.
 - When using the Extended Phillips Driver, ensure that it is properly seated on the screw to prevent stripping.
- For vulnerable groups:
 - This tool is not intended for use by children. Keep it stored securely away from minors.

Instructions for Installation and Usage

- To install and use the MultiTasker M:4 Tool:
 1. Ensure that the firearm is unloaded and pointed in a safe direction.
 2. Identify the location of the specially inletted buttpad on your firearm.
 3. Insert the MultiTasker M:4 Tool into the buttpad storage compartment.
 4. To use the tool, remove it from the buttpad and select the desired function.
 5. Follow the specific instructions for each function:
 - **SlotTip Screwdriver:** Use to adjust optics or handle slothead screws.
 - **Carrier Carbon Scraper:** Gently scrape the bolt carrier to remove carbon buildup.
 - **4Prong A2 Front Sight Adjustment Tool:** Rotate to make elevation adjustments on A2

front sights.

- **Extended Phillips Driver:** Use to access deeper set screws.
- After use, return the tool to the buttpad for safe storage.

Disposal Instructions

- Proper disposal of the MultiTasker M:4 Tool:
 - When the tool reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.
 - Do not dispose of the tool in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the MultiTasker M:4 Tool, please refer to the EU contact point for product safety inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your MultiTasker M:4 Tool. Always prioritize safety and responsible usage to enhance your firearm's performance and reliability. Thank you for your attention to these important guidelines.
