

# SOLUS VISE JAWS - AERO PRECISION SOLUS VISE JAWS

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Vises & Accessories](#) > [Vise Jaws](#)

The SOLUS Vice Jaws are a composite set of jaws made to work with an existing bench vise. Simply attach the Jaws to either side of the SOLUS action and tighten it down in the bench vise. The simple to use design makes it an easy choice when you need to swap a barrel. Material: Poly Urethane Length: 4.95"

# Safety Instruction Guide for SOLUS VISE JAWS

## Introduction

Thank you for choosing the SOLUS VISE JAWS by AERO PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the SOLUS VISE JAWS.

## General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Always inspect the product for any visible damage before use.
- Use the SOLUS VISE JAWS only for their intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the SOLUS VISE JAWS.
- Ensure that the bench vise is securely mounted to a stable work surface before attaching the jaws.
- Do not exceed the recommended torque specifications when tightening the jaws.
- Avoid using excessive force when clamping materials to prevent damage to the product or injury to yourself.
- Do not use the SOLUS VISE JAWS for any purpose other than clamping or securing items in a bench vise.
- Keep hands and other body parts clear of the clamping area when tightening the jaws.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the bench vise is clean and free from debris.
- Gather all necessary tools for installation.

### 2. Attaching the Jaws

- Position the SOLUS VISE JAWS on either side of the SOLUS action.
- Align the jaws with the mounting points on the SOLUS action.
- Securely tighten the jaws using the appropriate fastening mechanism.

### 3. Using the Jaws

- Place the item to be clamped between the jaws of the bench vise.
- Gradually tighten the bench vise to secure the item.
- Check that the item is held firmly in place without excessive force.

### 4. Removing the Jaws

- Loosen the bench vise to release the item.
- Carefully detach the SOLUS VISE JAWS from the SOLUS action.

## Disposal Instructions

- Dispose of the SOLUS VISE JAWS in accordance with local regulations for composite materials.

- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the SOLUS VISE JAWS, please contact the manufacturer or consult the product website for additional resources and support.

Thank you for prioritizing safety and following these guidelines. Enjoy using your SOLUS VISE JAWS!
