H.A.B Tactical Gear Safety Instruction Guide

Introduction

Thank you for choosing the H.A.B Tactical Gear Stand for Helmet, Armor, and Belt. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the stand.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Regularly inspect the stand for any signs of wear or damage before each use.
- Keep the stand out of reach of children to prevent accidents.
- Use the stand on a stable and flat surface to avoid tipping or falling.
- Do not exceed the maximum weight capacity of 70 lbs to ensure safety and stability.
- Follow all installation and usage instructions carefully to avoid injury or damage.

Specific Safety Precautions for Use

- **Helmet Stand:**
 - Max Adjustment: 3 inches. Ensure that the helmet is securely placed in the stand to prevent it from falling.
- **Belt Holder:**
 - Fits belts sized 29 inches to 44 inches. Ensure that belts are properly secured to avoid slipping.
- **Vest Height:**
 - The maximum vest height is 25 inches. Ensure that vests are properly placed and do not exceed this height.
- **Weight Limit:**
 - Do not place more than 70 lbs on the stand. Overloading can cause structural failure.
- **Installation:**
 - Follow the installation instructions carefully to avoid instability. Ensure all screws are tightened properly.

Instructions for Installation and Usage

1. Unpack the Stand:

- Carefully remove the stand from the packaging.
- Check all components against the included parts list to ensure nothing is missing.

2. Assembly:

- Attach the helmet stand and belt holder to the main frame according to the assembly instructions.
- Use the provided tightening screws to secure all components. Ensure they are tightened adequately.

3. Adjusting the Helmet Stand:

- Adjust the height of the helmet stand to your preference, ensuring it does not exceed the maximum adjustment of 3 inches.

4. Using the Belt Holder:

- Place your belt securely into the belt holder. Make sure it fits within the specified size range (29 inches to 44 inches).

5. Storing Your Gear:

- Place your helmet, armor, and belt on the stand when not in use. Ensure that all items are stable and do not exceed the weight limit.

6. Regular Maintenance:

- Periodically check all screws and components for tightness and wear.
- Clean the stand with a soft cloth to maintain its appearance and functionality.

Disposal Instructions

- When the H.A.B Tactical Gear Stand is no longer needed, dispose of it responsibly.
- Check local regulations for disposal of metal products.
- Consider recycling the metal components to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding safety and product information, please refer to the manufacturer's contact details provided in the packaging or visit the official website of SAVIOR EQUIPMENT.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe use of the H.A.B Tactical Gear Stand. Always prioritize safety and proper usage to enjoy the benefits of your new gear stand. Thank you for your attention and commitment to safety.
