

LEAP AIMPOINT PRO/COMPM4 MOUNT - SCALARWORKS AIMPOINT PRO/COMPM4 1.57" LEAP/13 QD MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The SCALARWORKS Aimpoint PRO LEAP Mount, the ultimate compliment to the Aimpoint PRO Red Dot. A proprietary ball-detent mechanism and precision guided telescoping clamp holds zero on every re-installation, and under the heaviest recoil; Guaranteed. Lightest Quick-Detach Aimpoint PRO mount in existence, and the only one CNC Machined from ultra-high-strength 7075-T6 Aluminum. Streamlined profile free of protruding levers and knobs: Won't rap your knuckles, or get caught on clothing, gear, and surroundings. Strength and light weight through superior engineering; now you can have your cake and eat it too.

Safety Instruction Guide for SCALARWORKS Aimpoint PRO LEAP Mount

Introduction

Thank you for choosing the SCALARWORKS Aimpoint PRO LEAP Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your Aimpoint PRO or CompM4 before installation.
- Always inspect the mount for any visible damage or defects before use.
- Use the mount only for its intended purpose as described in this guide.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Stay updated on any product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Check that the mount is securely attached to prevent accidental detachment during use.
- Avoid using the mount in extreme conditions that may affect its performance, such as excessive heat, moisture, or impact.
- Do not modify the mount in any way, as this may compromise its safety and effectiveness.
- Always ensure that the mount is free from dirt or debris that could affect its functionality.
- Use appropriate tools for installation to avoid damage to the mount or the firearm.

Instructions for Installation and Usage

1. Installation

- Carefully unpack the mount and check for all included components.
- Align the mount with the mounting rail on your firearm.
- Use the provided tools to securely attach the mount, ensuring that it is tightened according to the manufacturer's specifications.
- Check the mount's alignment and stability before proceeding.

2. Usage

- Once installed, verify that the Aimpoint PRO or CompM4 is securely attached to the mount.
- Regularly check the mount for any signs of wear or damage, especially after heavy use or recoil.
- If you notice any issues, remove the mount and inspect it thoroughly before further use.

Disposal Instructions

- Dispose of the mount in accordance with local regulations.
- Do not dispose of the mount in household waste.
- Consider recycling options for aluminum and other materials if applicable.

Contact Information for Further Support

For any questions or concerns regarding the SCALARWORKS Aimpoint PRO LEAP Mount, please reach out to the

manufacturer or consult the product documentation. Ensure you have the product details ready for assistance.

Thank you for your attention to these safety guidelines. Enjoy your experience with the SCALARWORKS Aimpoint PRO LEAP Mount.
