

# LEAP AIMPOINT PRO/COMPM4 MOUNT - SCALARWORKS AIMPOINT PRO/COMPM4 1.93" LEAP/13 QD MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The SCALARWORKS Aimpoint PRO LEAP Mount, the ultimate compliment to the Aimpoint PRO Red Dot. A proprietary ball-detent mechanism and precision guided telescoping clamp holds zero on every re-installation, and under the heaviest recoil; Guaranteed. Lightest Quick-Detach Aimpoint PRO mount in existence, and the only one CNC Machined from ultra-high-strength 7075-T6 Aluminum. Streamlined profile free of protruding levers and knobs: Won't rap your knuckles, or get caught on clothing, gear, and surroundings. Strength and light weight through superior engineering; now you can have your cake and eat it too.

# Safety Instruction Guide for SCALARWORKS Aimpoint PRO LEAP Mount

## Introduction

Thank you for choosing the SCALARWORKS Aimpoint PRO LEAP Mount. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your mount. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always inspect the mount for any signs of damage or wear before use.
- Keep the mount out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions to avoid accidents and injuries.
- In case of any malfunction or abnormal behavior, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use the mount only with compatible devices, specifically the Aimpoint CompM4 and Aimpoint PRO.
- Ensure the mount is securely attached before using the device to prevent accidental detachment during operation.
- Avoid using excessive force when installing or removing the mount to prevent damage.
- Be aware of your surroundings when using the mount to avoid entanglement with clothing or gear.
- Regularly check the mount's alignment and ensure it maintains zero after installation.

## Instructions for Installation and Usage

### 1. Installation:

- Start by ensuring that the mounting surface is clean and free from debris.
- Align the mount with the appropriate mounting points on your device.
- Secure the mount using the provided quickdetach mechanism, ensuring it is locked in place.
- Verify that the mount is stable and does not wobble or shift.

### 2. Usage:

- Once installed, check the alignment of your device through the mount.
- Make adjustments as necessary to ensure optimal performance.
- Always handle the device with care to avoid dropping or damaging the mount.

### 3. PostUsage:

- After use, inspect the mount for any signs of wear or damage.
- Store the mount in a safe place, away from extreme temperatures and moisture.

## Disposal Instructions

- Dispose of the mount in accordance with local regulations regarding electronic waste.
- If the mount is damaged or no longer functional, contact your local waste management service for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or support, please refer to the manufacturer's contact details provided separately. Ensure you have the product information ready for a more efficient response.

By following these guidelines and instructions, you can ensure the safe and effective use of your SCALARWORKS Aimpoint PRO LEAP Mount. Thank you for your attention to safety.
