# Safety Instruction Guide for Forster Curved Links Replacement Kit

## Introduction

Thank you for choosing the Forster Curved Links Replacement Kit for your Forster CoAx Press. This guide provides essential safety instructions and information to ensure proper and safe use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product documentation.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the press.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Do not exceed the recommended load limits for the press.
- Avoid wearing loose clothing or jewelry that may become entangled in the equipment.
- Do not attempt to modify or alter the product in any way.

## Instructions for Installation and Usage

### Installation Instructions

1. **Unpack the Kit:** Carefully remove the curved links from the packaging. Inspect for any visible damage.
2. **Turn Off the Press:** Ensure that the Forster CoAx Press is turned off and unplugged before installation.
3. **Remove Old Links:** Use appropriate tools to carefully remove the existing links from the press.
4. **Install New Links:**
  - Align the new curved links with the designated attachment points on the press.
  - Secure the links firmly using the provided fasteners.
5. **Check Installation:** Ensure that all connections are tight and that the links are properly aligned.

### Usage Instructions

1. **Prepare the Press:** Make sure the press is securely mounted and stable before use.
2. **Load Materials:** Follow the manufacturer's guidelines for loading materials into the press.
3. **Operate Safely:**
  - Always operate the press with both hands.
  - Keep hands clear of moving parts during operation.
4. **PostUse Inspection:** After use, inspect the links for any signs of wear or damage.

### Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer in use or is damaged beyond repair, dispose of it in an environmentally friendly manner, following local regulations for hazardous waste if applicable.

## **Contact Information for Further Support**

For safety inquiries or support, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective operation of your Forster Curved Links Replacement Kit. Thank you for prioritizing safety and compliance.
