

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 7MM PRC FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

## Attributes

- Name: [FORSTER PRODUCTS, INC. 7MM PRC FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 430106142

## 7MM PRC Bench Rest Die Sets

### Introduction

Thank you for choosing the Forster Bench Rest Reloading Die Sets. These highquality reloading dies are designed to help you produce concentric rounds safely and efficiently. This guide provides essential safety instructions to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure that you read and understand all instructions before using the reloading die set.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the reloading area clean and organized to prevent accidents.
- Store the die sets in a secure location out of reach of children and pets.
- Regularly inspect the dies for wear or damage before each use.
- Never modify the dies or use them for purposes other than intended.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Risk of injury from improper handling or misuse of reloading dies.
  - Potential for ammunition malfunction if dies are not used correctly.
- **Avoiding Hazards:**
  - Always ensure the reloading press is securely mounted and stable.
  - Follow the manufacturer's specifications for die setup and adjustment.
  - Do not exceed the recommended load limits for your ammunition.
  - Avoid distractions while reloading to maintain focus and safety.
- **AgeSpecific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Ensure that minors are supervised by an adult when using or handling the die sets.

### Instructions for Installation and Usage

- **Installation:**
  1. Unpack the die set and ensure all components are present.
  2. Follow the manufacturer's instructions to install the sizing die and seating die into your reloading press.
  3. Securely tighten the dies to prevent movement during operation.
- **Usage:**
  1. Prepare your brass cases by cleaning and inspecting them for damage.
  2. Adjust the sizing die according to the manufacturer's specifications to achieve the desired case dimensions.
  3. Use the EZ case neck expander system as directed to ensure proper neck sizing.
  4. Follow the instructions for the seating die to accurately seat the bullets to the correct depth.
  5. After reloading, inspect each round for proper assembly and function.

### Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Recycle packaging materials where possible.

- Ensure that all components are disposed of safely to prevent environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Forster Bench Rest Reloading Die Sets. Thank you for prioritizing safety in your reloading practices.
