

GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN OPTIC GUARD - HOLOSUN EPS - GLOCK MOS

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

GUARDIAN OPTIC GUARD Safety Instruction Guide

Introduction

Thank you for choosing the GUARDIAN OPTIC GUARD HOLOSUN EPS GLOCK MOS from Radian Weapons. This guide provides essential safety instructions to ensure the safe use and installation of your optic mounting system. Please read this guide thoroughly before use to maximize safety and performance.

General Safety Guidelines

- Always ensure that the GUARDIAN Optic Guard is compatible with your specific Glock model.
- Inspect the product for any visible damage or defects before installation and use.
- Ensure the optic mounting system is installed securely to prevent accidents during use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for updates on product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the recommended tools for installation to avoid damaging the product.
- Do not exceed the recommended torque specifications when tightening screws.
- Ensure that the mounting surface of your pistol is clean and free from debris before installation.
- Avoid exposing the product to extreme temperatures, moisture, or corrosive environments.
- Regularly inspect the mounting system for wear, damage, or loosening of screws.
- If you notice any signs of damage or wear, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure your pistol is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove the existing mounting plate from your Glock MOS if applicable.
- Clean the mounting surface on your pistol to ensure a secure fit.
- Align the GUARDIAN Optic Guard with the mounting holes on your pistol.
- Insert the STUDLOK™ threaded stud into the mounting hole and secure it with the nut provided.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.
- If applicable, install the optional backup sights to ensure an unobstructed sight picture.

3. Usage:

- Once installed, check the stability of the optic guard before use.
- Regularly check the tightness of the screws and the overall condition of the mounting system.
- Adjust your optic as necessary for optimal performance.

Disposal Instructions

- Dispose of the GUARDIAN Optic Guard in accordance with local regulations.
- If the product is damaged or no longer needed, recycle materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries related to safety, installation, or product support, please refer to the appropriate channels provided by Radian Weapons or your retailer.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and protection of your GUARDIAN OPTIC GUARD.
