

GUARDIAN OPTIC GUARD - RADIAN WEAPONS GUARDIAN OPTIC GUARD - HOLOSUN EPS - WALTHER PDP 2.0

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, iron forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

Attributes

- Name: [RADIAN WEAPONS GUARDIAN OPTIC GUARD - HOLOSUN EPS - WALTHER PDP 2.0](#)
- Manufacturer: [RADIAN WEAPONS](#)
- Product no.: 430106339

Safety Instruction Guide for GUARDIAN OPTIC GUARD HOLOSUN EPS WALTHER PDP 2.0

Introduction

Thank you for choosing the Radian GUARDIAN Optic Mounting System. This guide provides important safety information and instructions for the safe use, installation, and disposal of your optic mount. Please read this guide carefully to ensure proper handling and to maximize the safety and performance of your product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about safety alerts.

Specific Safety Precautions for Use

- Ensure that the optic mount is securely attached to the firearm before use.
- Avoid using the product in conditions that may exceed its design limits, such as extreme temperatures or heavy impacts.
- Regularly check the integrity of the mounting screws and Orings to maintain a watertight seal.
- Use only compatible optics as specified by the manufacturer to avoid compatibility issues.
- Do not modify the product in any way, as this may compromise its safety features.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and safe to handle.

2. Mounting the Optic:

- Align the GUARDIAN Optic Mount with the slide of the Walther PDP 2.0.
- Insert the STUDLOK™ threaded stud into the designated hole on the slide.
- Securely fasten the nut onto the stud using a torque wrench to the manufacturer's specified torque settings.

3. Installing Backup Sights (if applicable):

- If using optional backup sights, ensure they are mounted in a manner that allows for an unobstructed sight picture.
- Follow the specific installation instructions for the backup sights as provided by their manufacturer.

4. Final Inspection:

- Doublecheck all screws and mounts to ensure they are tight and secure.
- Verify that the optic is properly aligned and functions as expected.

Usage

- Always handle the firearm with care and follow standard firearm safety practices.
- Regularly inspect the optic and mounting system for any signs of wear or damage.
- Clean the optic and mounting system with appropriate cleaning solutions and tools to maintain functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal products.
- If the product is no longer usable, ensure it is disposed of in a manner that prevents environmental contamination.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product or on the official website.

By following these guidelines and instructions, you can help ensure a safe and effective experience with your Radian GUARDIAN Optic Mounting System. Thank you for your attention to safety!
