

GUARDIAN OPTIC GUARD AND STEALTH BACK-UP IRON SIGHTS COMBO - RADIAN WEAPONS GUARDIAN/STEALTH IRONS COMBO - HOLOSUN EPS - GLOCK MOS

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Plates](#)

The Radian GUARDIAN Optic Mounting System provides unprecedented protection for your pistol red dot optic. Machined from 7075 aluminum & hard anodized, the design provides top/ front/side impact protection. Optional back-up sights, provide an unobstructed, irons forward sight picture. Their STUD-LOK™ threaded stud/nut mounting interface is the most secure system on the market. This provides much longer thread engagement, greater hold down power, with increased shear resistance. TRU-SEAL™ eliminates the need for an added sealing plate. Pre-installed O-rings on the mounting screws hold the plate watertight to the slide, sealing out moisture, eliminating corrosion in the mounting threads.

Safety Instruction Guide for GUARDIAN Optic Guard and Stealth BackUp Iron Sights Combo

Introduction

Thank you for choosing the GUARDIAN Optic Guard and Stealth BackUp Iron Sights Combo by Radian Weapons. This guide provides essential safety instructions, usage guidelines, and maintenance tips to ensure the safe operation of your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before attaching or detaching the optic guard or sights.
- Do not attempt to modify the product or use it in a manner not specified by the manufacturer.
- Ensure that the mounting screws are securely tightened before use to prevent any detachment.
- Be aware of your surroundings and ensure a safe shooting environment when using the product.
- Use proper eye and ear protection when operating firearms.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your Glock MOS is clean and free of any debris.
2. **Attach the Optic Mount:**
 - Align the GUARDIAN Optic Mounting System with the mounting interface on your Glock MOS.
 - Use the provided STUDLOK™ threaded stud/nut to secure the mount.
 - Tighten the screws firmly to ensure a secure fit.
3. **Install BackUp Sights** (if applicable):
 - Attach the backup sights to the designated slots on the optic mount.
 - Ensure that they are aligned properly for an unobstructed sight picture.
4. **Check for Stability:**
 - Gently shake the mounted optic and sights to ensure they are securely attached.
 - Recheck the tightness of all screws and fittings.

Usage Instructions

- Once installed, check the alignment of your red dot optic and backup sights before use.
- Regularly verify that all components remain secure and functional.
- Clean the optic and sights as needed, following the manufacturer's cleaning recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for designated recycling centers that accept firearm accessories and components.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the GUARDIAN Optic Guard and Stealth BackUp Iron Sights Combo, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
