

# COMPRESSOR QUICK-TUNE GUIDE ROD FOR GLOCK 19 - RADIAN WEAPONS COMPRESSOR QUICK-TUNE GUIDE ROD WITH 3 SPRINGS FOR GLOCK 19

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Guide Rods](#)

Most adjustable guide rods on the market use a cap screw to retain the spring. The problem? Loose screws are too common and thread locker forces you to commit to one spring weight. Enter the screwless design of the COMPRESSOR Quick-Tune Guide Rod. The dovetail interface is captured by the spring, creating a simple and secure lock-up. Flutes along the guide rod allow the spring to move with less friction for smoother cycling. The heat treated guide rod has a slick, durable, and corrosion-resistant Nitride finish.

## Attributes

- Name: [RADIAN WEAPONS COMPRESSOR QUICK-TUNE GUIDE ROD WITH 3 SPRINGS FOR GLOCK 19](#)
- Manufacturer: [RADIAN WEAPONS](#)
- Product no.: 430106348

# COMPRESSOR QuickTune Guide Rod Safety Instructions

## Introduction

Thank you for choosing the COMPRESSOR QuickTune Guide Rod for your Glock 19. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your product is used safely and effectively. Please read this manual thoroughly before using the product.

## General Safety Guidelines

- Ensure that the COMPRESSOR QuickTune Guide Rod is compatible with your Glock 19 before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the guide rod for wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to modify the COMPRESSOR QuickTune Guide Rod in any way.
- Ensure that the firearm is unloaded before installing or adjusting the guide rod.
- Use only the recommended springs provided with the COMPRESSOR QuickTune Guide Rod.
- Avoid using the product in extreme conditions (e.g., extreme heat, cold, or moisture) that may affect its performance.
- If you experience any malfunctions or unusual behavior during use, stop immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory guide rod from your Glock 19.
- Insert the COMPRESSOR QuickTune Guide Rod into the recoil spring assembly.
- Ensure that the dovetail interface is securely captured by the spring.
- Confirm that the guide rod is seated properly and that there is no movement.

### 2. Usage:

- Test the firearm in a controlled environment to ensure proper function with the new guide rod.
- Make adjustments as needed by swapping the springs provided with the product.
- Always check the tightness of the guide rod and springs before use.

## Disposal Instructions

- Dispose of the COMPRESSOR QuickTune Guide Rod in accordance with local regulations.
- If the product is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly.
- Recycle materials when possible, following local recycling guidelines.

## Contact Information for Further Support

For any questions or concerns about the COMPRESSOR QuickTune Guide Rod, please contact the manufacturer

or refer to the retailer from whom you purchased the product. Always ensure that you have the product information on hand for reference.

By following these safety instructions, you can ensure the safe and effective use of your COMPRESSOR QuickTune Guide Rod for Glock 19. Thank you for prioritizing safety!
