

WORKMAN PVC MAT - BROWNELLS BROWNELL S WORKBENCH PVC MAT GRAY

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

Non-Marring PVC Mat is a great addition to your workbench. Exterior dimensions allow mat to perfectly insert into the top of the Brownells Gen III Armorers Case. Light gray color allows for writing on the surface, so you can mark measurements or trays for specific uses*. Three trays at the top allow for quick placement of screws, bits, pins and other small items, and the rounded edges will prevent anything from rolling off the sides. Mat easily rolls up for storage. Dense Silicon material allows for bench blocks to be utilized on the top of the mat. Material holds up against solvents and oils. *Surface does not allow for erasing. Writing will be permanent as the material will absorb ink.

WORKMAN PVC MAT Safety Instruction Guide

Introduction

Thank you for choosing the WORKMAN PVC MAT. This nonmarring mat is designed to enhance your workbench experience by providing a durable and functional surface. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the mat for any damage before use.
- Ensure the work area is clean and free from hazards.
- Keep the mat away from open flames and extreme heat sources.
- Avoid using sharp objects that may puncture or tear the mat.
- Do not use the mat with chemicals or solvents that may degrade its material.
- Follow proper lifting techniques when handling the mat to avoid injury.

Specific Safety Precautions for Use

- The mat is designed for adult use. Keep it out of reach of children.
- Writing on the mat is permanent; do not attempt to erase any markings.
- Avoid placing heavy items on the mat for extended periods to prevent deformation.
- Ensure that items placed on the mat do not exceed its weight capacity.
- Use caution when placing small items in the trays to prevent spills or accidents.

Instructions for Installation and Usage

1. **Placement:** Lay the mat flat on a clean, dry surface. Ensure it fits securely on your workbench.
2. **Using the Trays:** Utilize the three trays at the top of the mat for organizing screws, bits, pins, and other small items.
3. **Writing on the Mat:** Use a permanent marker for writing on the mat. Remember that ink will not be erasable.
4. **Rolling for Storage:** To store the mat, roll it up carefully to avoid creasing. Ensure it is stored in a cool, dry place.

Disposal Instructions

- Dispose of the mat in accordance with local regulations.
- If the mat is damaged beyond use, consider recycling it if facilities are available in your area.
- Do not incinerate the mat as it may release harmful substances.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information included with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your WORKMAN PVC MAT and the enhanced functionality it brings to your workspace!
