

# MOD 2 SOPMOD STOCK - BRAVO COMPANY MOD 2 SOPMOD STOCK WIDEBODY BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

BCM Stock Kit w/ Mod 2 stock and MK2 RMS INCLUDES: BCM Stock Mod 2 - Black BCM MK2 Receiver Extension (approximately 3/4" longer than carbine), 7076T6, 8 position, Mil-Spec diameter Mil-Spec M16A4 Rifle Action Spring BCM MK2 Mod 1 - T0 Buffer (weight = approximately 3.8oz) BCM EPM4 End Plate (include mount for QD swivel) Locking Nut (Castle Nut) M4 FIT LIKE A GLOVE, BUILT LIKE A TANK Made by Americans in Hartland, WI - the BCM® Mod 2 stock is an improvement over the baseline M4 accessory with enhanced ergonomics, and next-level durability. Recontoured into a patented (United States Patent Number: D901616) semi-clubfoot design, the Mod 2 is fits on Mil-Spec carbine receiver extensions, and optimized for intermediate length receiver extensions (MK2, AR10, A5). These improved lines also enhance shooting in the prone position while remaining snag free, with no edges to catch or tangle in slings, antenna, or other PPE. A SCION OF CONFLICT DELIVERING UNSURPASSED PERFORMANCE Retaining the patented\* internal latch system and the ambidextrous rotation limited QD interface, the BCM Mod 2 Stock features an end user removable buttpad, an improved VBOST (Vehicle Borne Operations Sling Tab) sling retention point, "plus two additional web sling attachments slots. United States Patent Number: 9,109,855 ADAPT TO YOUR MISSION MODULAR BUTTPAD Selecting between a rubberized pad, traditional in light infantry operations; or solid diamond textured non-slip surface, optimized for high-ready weapons manipulation, the removable Modular Buttpad is capable of enabling both techniques. VBOST The VBOST is an interface that provides multiple positions for retention bands when the weapon system is run with the sling "S-folded" against the stock. Typically configured in this manner for vehicle operations or concealed "low vis" movement, the VBOST creates options for the end user that can be vital in critical life saving situations. MADE IN AMERICA All BCM components and accessories unite state of the art manufacturing with lightweight and durable materials to ensure components that last a lifetime, performing far beyond standards established nearly six decades ago. Like all BCM rifles and accessories, the BCM Mod 2 Stock is designed and made in the USA. Offered in two configurations: Stock only or stock kit with Mk2 RMS hardware.

## Attributes

# Safety Instruction Guide for MOD 2 SOPMOD STOCK

## Introduction

Thank you for choosing the MOD 2 SOPMOD STOCK by Bravo Company. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and understand all safety guidelines before using the stock.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the MOD 2 SOPMOD STOCK. Follow all instructions carefully to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls. Check the EU's Safety Gate platform regularly for updates.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements equivalent to physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used by children. Ensure that children do not have access to the product without adult supervision.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for support.
- **Rapid Alerts:** Be aware of the Safety Gate system, which provides updates on unsafe products.

## Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the stock for any damage or defects before installation and use.
- **Proper Fit:** Ensure the stock fits securely onto the receiver extension to prevent accidents during use.
- **Avoid Modifications:** Do not modify the stock or its components, as this may compromise safety and performance.
- **Use as Intended:** The MOD 2 SOPMOD STOCK is designed for use with MilSpec carbine receiver extensions. Using it with incompatible systems may pose safety risks.
- **Safe Handling:** Always handle the weapon with care. Treat every firearm as if it is loaded.
- **Follow Local Laws:** Ensure compliance with all local laws and regulations regarding firearm accessories.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded and pointed in a safe direction.
- Remove the existing stock from the receiver extension.
- Align the BCM MK2 Receiver Extension with the stock and slide it into place until it locks securely.
- Attach the BCM EPM4 End Plate and Locking Nut according to the manufacturer's instructions.
- Ensure that all components are tightly secured before use.

### 2. Usage:

- Adjust the stock to your desired position using the 8-position settings for optimal comfort and control.
- Utilize the ambidextrous rotation limited QD interface for sling attachment.
- When using the VBOST, ensure that retention bands are positioned correctly for safe handling.

### 3. PostUse:

- Clean the stock regularly to maintain its condition and performance.

- Store the weapon in a secure location, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the stock and any components in accordance with local regulations.
- Do not dispose of in regular household waste.
- Check for any specific disposal guidelines related to polymer materials.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage of the MOD 2 SOPMOD STOCK, please refer to the manufacturer's website or customer service for guidance.

By adhering to these safety instructions, you can ensure a safe and enjoyable experience with your MOD 2 SOPMOD STOCK. Thank you for your attention to these important guidelines.
