DAKA® Waterproof Window Pouches Safety Instructions

Introduction

Thank you for choosing the DAKA Waterproof Window Pouch by Magpul. This product is designed to keep your valuables safe and dry in various environments. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of damage or wear that may compromise its waterproof capabilities.
- Keep the pouch away from sharp objects that may puncture or tear the material.
- Store the pouch in a cool, dry place when not in use.
- Be aware of the potential hazards associated with water exposure and ensure that the pouch is properly sealed before submerging.
- Follow all instructions for use and maintenance provided in this guide.

Specific Safety Precautions for Use

- Always check the YKK zipper and ensure it is fully closed before exposing the pouch to water.
- Do not overload the pouch beyond its internal volume specifications.
- Avoid using the pouch in extreme temperatures, as this may affect the integrity of the materials.
- Ensure that the pouch is not used by children without adult supervision.
- If the pouch has been submerged, inspect the contents immediately for any signs of water exposure.

Instructions for Installation and Usage

1. Opening the Pouch:

- Grasp the durable zipper pull made of 550 paracord and heat shrink tubing.
- Pull the YKK zipper laterally to open the pouch.

2. Placing Items Inside:

- Ensure that all items placed inside the pouch are dry.
- Do not exceed the internal volume of the pouch (0.45L for small, 1.45L for medium, 3.18L for large).
- Close the zipper securely after placing items inside.

3. Using the Pouch:

- Attach the pouch using the extralarge carabiner passthroughs to secure it to your gear.
- For optimal waterproof performance, avoid submerging the pouch for extended periods.

4. Cleaning and Maintenance:

- Wipe the exterior of the pouch with a damp cloth to remove dirt and debris.
- Do not machine wash or submerge the pouch in water for cleaning, as this may damage the materials.

Disposal Instructions

- Dispose of the pouch in accordance with local waste management regulations.
- If the pouch is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the pouch in fire, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy the reliable protection of your DAKA Waterproof Window Pouch!
