DAKA® Waterproof Window Pouches Safety Instructions

Introduction

Thank you for choosing the DAKA Waterproof Window Pouches by Magpul. These pouches are designed to keep your valuables safe and dry in various environments. This guide provides important safety information and instructions to ensure the safe use of your product.

General Safety Guidelines

- Always inspect the pouch for any signs of damage before use. Do not use if damaged.
- Ensure the zipper is fully closed before exposing the pouch to water.
- Keep the pouch out of reach of children to prevent accidental drowning or suffocation.
- Avoid exposing the pouch to extreme temperatures or sharp objects that may cause damage.
- Regularly check for wear and tear, especially on the zippers and seams.
- If you notice any leaks or damage, discontinue use immediately and replace the pouch.

Specific Safety Precautions for Use

- The DAKA Waterproof Window Pouch is designed for water resistance, but it is not intended for prolonged submersion.
- Do not overload the pouch beyond its specified internal volume to prevent zipper failure.
- When using the pouch in wet conditions, ensure that your hands are dry when opening and closing the zipper.
- For best results, avoid storing items that are sensitive to moisture, even in a waterproof pouch.
- Be cautious of the weight of the items stored in the pouch to avoid straining your hands or causing injury when carrying.

Instructions for Installation and Usage

1. Preparing the Pouch:

- Remove the pouch from its packaging.
- Check for any defects or damages that may affect its performance.

2. Filling the Pouch:

- Open the zipper completely.
- Place items inside the pouch, ensuring that they are not overstuffed.
- Close the zipper securely, making sure it is fully sealed.

3. Attaching the Pouch:

- Use the large carabiner attachment points to secure the pouch to bags, belts, or other gear.
- Ensure that the attachment points are secure and that the pouch is not at risk of detaching during use.

4. Using the Pouch:

- When in wet environments, keep the pouch elevated above water if possible.
- Avoid exposing the pouch to extreme conditions that may compromise its integrity.

5. After Use:

- Empty the pouch and wipe it clean with a damp cloth.
- Allow the pouch to air dry completely before storing it away.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations for plastic and polymer materials.
- Do not burn the pouch as it may release harmful substances.
- If the pouch is damaged beyond repair, consider recycling it if facilities are available.

Contact Information for Further Support

For any inquiries regarding the DAKA Waterproof Window Pouches or to report unsafe products, please contact the manufacturer or visit their website for further assistance.

Thank you for your attention to these safety guidelines. Enjoy your DAKA Waterproof Window Pouch!
