# DAKA® Waterproof Window Pouches Safety Instructions

## Introduction

Thank you for choosing the DAKA Waterproof Window Pouch from Magpul. This product is designed to keep your valuables safe and dry in any situation where water exposure is a concern. Please read this safety instruction guide carefully to ensure the safe use and maintenance of your DAKA Waterproof Window Pouch.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose of protecting items from water exposure.
- Regularly inspect the pouch for any signs of wear or damage, especially the zippers and seams.
- Keep the pouch away from sharp objects that may puncture or damage it.
- Store the pouch in a cool, dry place when not in use.
- Always follow any specific instructions provided by the manufacturer regarding the use and maintenance of the pouch.

## Specific Safety Precautions for Use

- Do not exceed the recommended internal volume capacity of the pouch to avoid stress on the seams and zippers.
- Avoid submerging the pouch in water for extended periods, as prolonged exposure may affect its waterproof capabilities.
- Ensure that the zipper is fully closed before exposing the pouch to water.
- When using the pouch with gloves, ensure that the zipper pulls are easily accessible.
- Keep the pouch out of reach of children unless supervised by an adult.

## Instructions for Installation and Usage

### 1. Preparing the Pouch:

- Open the pouch by pulling the zipper to ensure it is free of any obstructions.
- Check the internal space to confirm that it is clean and dry before placing items inside.

### 2. Storing Items:

- Place your items in the pouch, ensuring they do not exceed the internal volume capacity.
- For best results, arrange items so that they do not put pressure on the zipper or seams.

### 3. Sealing the Pouch:

- Close the zipper completely, ensuring that it is securely sealed.
- Check the zipper pulls to ensure they are functioning properly and are easily accessible.

### 4. Attaching the Pouch:

- Use the extralarge carabiner passthroughs to attach the pouch to your gear or backpack.
- Ensure that the attachment point is secure and can support the weight of the pouch and its contents.

### 5. Using the Pouch:

- When using the pouch in wet conditions, avoid exposing it to sharp objects that may compromise

its integrity.

- If the pouch becomes wet on the outside, wipe it down with a dry cloth before opening.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations regarding plastic and synthetic materials.
- If the pouch is damaged beyond repair, consider recycling the materials where possible.
- Do not incinerate the pouch, as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the DAKA Waterproof Window Pouch, please refer to the product packaging for contact details. Ensure you have the product name and specifications available when seeking support.

By following these safety instructions, you can ensure the optimal performance and longevity of your DAKA Waterproof Window Pouch. Thank you for your attention to safety.
