

# DAKA AMMO SLEEVES - MAGPUL DAKA AMMO SLEEVE BLACK

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

The DAKA Ammo Sleeve was developed for hunters that need a readily accessible way to store additional ammunition in a secure and compact manner. The bi-fold design keeps its footprint small and makes it easy to store in a pack or pocket. It's constructed from highly-durable DAKA material providing rugged protection and a reduced sound signature for those times being quiet will decide if your hunt is a success or failure. Designed to lay open, the Ammo Sleeve keeps all rounds in the same orientation, making them easy to remove and replace. A stretch cord was included to keep the Ammo Sleeve closed and can be used to hang the sleeve if needed. There's a small internal pocket behind the top ammo sleeve capable of holding tags or other important items while in the field. Overall dimensions: 3.9" x 3.3" closed Internal volume: Stores up to 10 rounds of .223 to 300 Win Mag

## Attributes

# DAKA Ammo Sleeve Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Ammo Sleeve by MAGPUL. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the Ammo Sleeve.

## General Safety Guidelines

- Always use the DAKA Ammo Sleeve in accordance with the manufacturer's instructions.
- Ensure that the Ammo Sleeve is suitable for the type and caliber of ammunition you intend to store.
- Regularly inspect the Ammo Sleeve for any signs of wear or damage before each use.
- Keep the Ammo Sleeve out of reach of children and vulnerable individuals.
- In case of any concerns regarding the safety or integrity of the product, discontinue use immediately.

## Specific Safety Precautions for Use

- When loading ammunition into the Ammo Sleeve, ensure that the rounds are oriented correctly to avoid any accidental discharge.
- Avoid overloading the Ammo Sleeve beyond its specified capacity of 10 rounds.
- Store the Ammo Sleeve in a secure location when not in use to prevent unauthorized access.
- Do not expose the Ammo Sleeve to extreme temperatures or harsh environmental conditions, as this could compromise its durability.
- If using the stretch cord to secure the Ammo Sleeve, ensure it is properly fastened to avoid accidental opening.

## Instructions for Installation and Usage

### 1. Loading Ammunition:

- Open the Ammo Sleeve by unfastening the stretch cord.
- Place the ammunition into the sleeve, ensuring all rounds are oriented in the same direction.
- Close the Ammo Sleeve securely by refasten the stretch cord.

### 2. Using the Ammo Sleeve:

- The compact design allows for easy storage in a pack or pocket.
- When in the field, utilize the internal pocket to store tags or other important items.
- To hang the Ammo Sleeve, use the stretch cord as needed.

### 3. Inspection:

- Before each use, check the Ammo Sleeve for any signs of damage or wear.
- Ensure that the stitching and material are intact and free from defects.

## Disposal Instructions

- Dispose of the DAKA Ammo Sleeve responsibly, following local regulations for waste disposal.
- Do not incinerate the Ammo Sleeve, as it may release harmful substances when burned.
- If the Ammo Sleeve is damaged beyond repair, consider recycling the material if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the DAKA Ammo Sleeve, please contact the manufacturer directly through the provided contact information on the packaging or product documentation.
