

# DAKA AMMO SLEEVES - MAGPUL DAKA AMMO SLEEVE FDE

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

The DAKA Ammo Sleeve was developed for hunters that need a readily accessible way to store additional ammunition in a secure and compact manner. The bi-fold design keeps its footprint small and makes it easy to store in a pack or pocket. It's constructed from highly-durable DAKA material providing rugged protection and a reduced sound signature for those times being quiet will decide if your hunt is a success or failure. Designed to lay open, the Ammo Sleeve keeps all rounds in the same orientation, making them easy to remove and replace. A stretch cord was included to keep the Ammo Sleeve closed and can be used to hang the sleeve if needed. There's a small internal pocket behind the top ammo sleeve capable of holding tags or other important items while in the field. Overall dimensions: 3.9" x 3.3" closed Internal volume: Stores up to 10 rounds of .223 to 300 Win Mag

## Attributes

# DAKA Ammo Sleeves Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Ammo Sleeve by MAGPUL. This product is designed for hunters seeking a secure and compact way to store additional ammunition. To ensure safe and effective use of the Ammo Sleeve, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the Ammo Sleeve for any signs of damage or wear before use.
- Ensure that the Ammo Sleeve is used only for its intended purpose: to store ammunition.
- Keep the Ammo Sleeve out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the Ammo Sleeve, especially in hunting environments.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not overload the Ammo Sleeve beyond its capacity of 10 rounds.
- Ensure that all ammunition stored is compatible with the Ammo Sleeve specifications (.223 Remington, 300 Winchester Magnum).
- Avoid exposing the Ammo Sleeve to extreme temperatures or moisture, which may affect its durability.
- Always handle ammunition with care, following standard safety practices for firearms and ammunition.
- When using the stretch cord to secure the Ammo Sleeve, ensure it is fastened properly to prevent accidental opening.

## Instructions for Installation and Usage

### 1. Opening the Ammo Sleeve:

- Lay the Ammo Sleeve flat on a stable surface.
- Gently open the bifold design to access the internal compartments.

### 2. Loading Ammunition:

- Place the rounds into the Ammo Sleeve, ensuring they are oriented in the same direction.
- Do not exceed the maximum capacity of 10 rounds.

### 3. Securing the Ammo Sleeve:

- Once loaded, close the Ammo Sleeve and use the included stretch cord to secure it.
- If desired, use the stretch cord to hang the Ammo Sleeve from a suitable location.

### 4. Storing the Ammo Sleeve:

- Store the Ammo Sleeve in a cool, dry place when not in use.
- Avoid placing heavy objects on top of the Ammo Sleeve to maintain its shape and integrity.

## Disposal Instructions

- Dispose of the Ammo Sleeve in accordance with local waste management regulations.
- If the Ammo Sleeve is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the Ammo Sleeve in fire, as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the DAKA Ammo Sleeve, please refer to the contact information provided on the packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your DAKA Ammo Sleeve. Thank you for your attention to safety and for choosing MAGPUL products.
