

# DAKA DOUBLE PISTOL CASES - MAGPUL DAKA DOUBLE PISTOL CASE BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

The DAKA Double Pistol Case is a large-format carrying case designed to secure and protect your firearms. The discrete, semi-rigid, double pistol case includes two large carrying handles, making it perfect for transporting and storing all sizes of pistols and their magazines. The two internal panels are lined with a snag-free, protective EVA foam liner that adds a layer of security and a barrier against damage. On the left panel, there are two large pistol sleeves that can accommodate subcompact, compact, and full-size pistols. Each pistol sleeve has its own retaining strap that can stretch to accommodate a variety of pistol sizes. On the right panel, there are eight magazine retention bands and a large outer panel pocket to protect your pistols from contacting your magazines and causing damage. An additional zippered pocket can also be used to store documents, small tools, or cleaning items. Constructed of durable DAKA material and featuring a water-resistant YKK® AquaGuard® zipper, a 550 paracord zipper pull, and a pull-tab that doubles as a carabiner pass-through, the DAKA Double Pistol Case is rugged, water-resistant, and the perfect storage solution for those times when one pistol is not enough. Overall dimensions: 14.5" x 11.8" x 2.4" Two pistol sleeves with retention band: 10" x 6.25" Single main panel pocket: 7.5" x 12" Eight magazine retention bands: 1.5" Zippered document pocket: 10" x 12.5"

# DAKA Double Pistol Case Safety Instructions

## Introduction

Thank you for choosing the DAKA Double Pistol Case by MAGPUL. This product is designed to securely carry and protect your firearms while ensuring safe usage. Please read this safety instruction guide carefully to understand how to use and maintain your pistol case safely.

## General Safety Guidelines

- Ensure that the case is used only for its intended purpose: to store and transport firearms and related accessories.
- Always check for any visible damage to the case before use. Do not use if damaged.
- Keep the case out of reach of children and unauthorized users.
- Regularly inspect the case for wear and tear, especially the zippers and straps.
- Follow all local laws and regulations regarding firearm storage and transportation.

## Specific Safety Precautions for Use

- When storing firearms, ensure they are unloaded and secured in accordance with local laws.
- Avoid overloading the case beyond its capacity, as this may compromise its structural integrity.
- Do not expose the case to extreme temperatures or direct sunlight for extended periods, as this may affect the materials.
- Ensure that all firearms and magazines are properly secured in their designated compartments to prevent movement during transport.
- Use the retaining straps for each pistol sleeve to secure firearms and prevent accidental movement.

## Instructions for Installation and Usage

### 1. Unpacking the Case

- Carefully remove the DAKA Double Pistol Case from its packaging.
- Inspect the case for any signs of damage or missing parts.

### 2. Loading Firearms

- Open the case by unzipping the YKK AquaGuard zipper.
- Place your unloaded firearms into the left panel sleeves, ensuring they fit snugly.
- Secure each firearm with the retaining strap provided in each sleeve.

### 3. Storing Magazines

- Use the right panel to store magazines in the eight retention bands.
- Ensure that magazines are securely held to prevent movement during transport.

### 4. Using Additional Storage

- Utilize the large outer panel pocket for storing additional items, ensuring they do not interfere with the firearms.
- The zippered document pocket can be used for small tools or cleaning items.

### 5. Closing the Case

- After all items are securely stored, close the case by zipping it up completely.
- Ensure that the zipper is fully closed to protect contents from external elements.

## **Disposal Instructions**

- When the DAKA Double Pistol Case reaches the end of its life cycle, dispose of it in accordance with local waste management regulations.
- If the case is damaged beyond repair, consider recycling materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the DAKA Double Pistol Case, please consult the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure the safe and effective use of your DAKA Double Pistol Case. Thank you for prioritizing safety in your firearm storage and transport.
