

# DAKA DOUBLE PISTOL CASES - MAGPUL DAKA DOUBLE PISTOL CASE FDE

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Cases](#)

The DAKA Double Pistol Case is a large-format carrying case designed to secure and protect your firearms. The discrete, semi-rigid, double pistol case includes two large carrying handles, making it perfect for transporting and storing all sizes of pistols and their magazines. The two internal panels are lined with a snag-free, protective EVA foam liner that adds a layer of security and a barrier against damage. On the left panel, there are two large pistol sleeves that can accommodate subcompact, compact, and full-size pistols. Each pistol sleeve has its own retaining strap that can stretch to accommodate a variety of pistol sizes. On the right panel, there are eight magazine retention bands and a large outer panel pocket to protect your pistols from contacting your magazines and causing damage. An additional zippered pocket can also be used to store documents, small tools, or cleaning items. Constructed of durable DAKA material and featuring a water-resistant YKK® AquaGuard® zipper, a 550 paracord zipper pull, and a pull-tab that doubles as a carabiner pass-through, the DAKA Double Pistol Case is rugged, water-resistant, and the perfect storage solution for those times when one pistol is not enough. Overall dimensions: 14.5" x 11.8" x 2.4" Two pistol sleeves with retention band: 10" x 6.25" Single main panel pocket: 7.5" x 12" Eight magazine retention bands: 1.5" Zippered document pocket: 10" x 12.5"

# DAKA Double Pistol Cases Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Double Pistol Case by MAGPUL. This guide provides essential safety instructions to ensure the secure and proper use of your product. Please read this guide carefully to maximize your safety and the protection of your firearms.

## General Safety Guidelines

- Ensure that the DAKA Double Pistol Case is used only for its intended purpose of storing and transporting firearms and magazines.
- Regularly inspect the case for any signs of wear or damage that could compromise its protective features.
- Always store firearms in a secure location, away from unauthorized access, especially from children and vulnerable individuals.
- Adhere to all local laws and regulations regarding firearm storage and transportation.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

## Specific Safety Precautions for Use

- **Handling Firearms:** Always treat firearms as if they are loaded. Keep the muzzle pointed in a safe direction and your finger off the trigger until ready to shoot.
- **Secure Storage:** Ensure that firearms are properly secured in the pistol sleeves and that the retaining straps are fastened to prevent movement during transport.
- **Avoid Overloading:** Do not exceed the recommended capacity of the case. Ensure that the weight of the contents does not compromise the integrity of the case.
- **Moisture Control:** Although the case features waterresistant materials, avoid exposing it to excessive moisture. Store in a dry place when not in use.
- **Zipper Care:** Use the YKK AquaGuard zipper carefully. Avoid forcing the zipper if it becomes stuck, as this may damage the zipper or the case.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the DAKA Double Pistol Case from its packaging. Check for any visible damage or missing components.
2. **Loading Firearms:**
  - Open the case and lay it flat on a stable surface.
  - Place your firearms into the designated pistol sleeves on the left panel. Ensure that each firearm is properly seated and secure.
  - Fasten the retaining straps for each pistol sleeve to ensure stability during transport.
3. **Storing Magazines:**
  - On the right panel, insert magazines into the magazine retention bands.
  - Ensure that magazines are securely held and do not protrude from the case.
  - Use the outer panel pocket for additional items, ensuring they do not interfere with the secure storage of firearms.
4. **Zippering the Case:**

- Once all items are securely stored, close the case and zip it securely using the AquaGuard zipper.
- Ensure that the zipper is fully closed to maintain the waterresistant integrity of the case.

#### **5. Transporting the Case:**

- Use the two large carrying handles for easy transport.
- Always keep the case upright to prevent any shifting of contents during movement.

## **Disposal Instructions**

- When the DAKA Double Pistol Case reaches the end of its life, dispose of it in accordance with local regulations.
- If the case is damaged beyond use, consider recycling the materials where possible.
- Do not burn the case, as this may release harmful substances into the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the DAKA Double Pistol Case, please reach out to the manufacturer or refer to the product's official website for additional information and support.

Thank you for your attention to these safety instructions. Enjoy the secure and convenient use of your DAKA Double Pistol Case.
