

DAKA® V-BLOCK AND ANGLED KITS - MAGPUL DAKA V-BLOCK KIT BLACK

[Shooting Accessories](#) > [Gun Storage](#) > [Gun Storage Accessories](#)

The Magpul DAKA® V-Block Kit expands the functionality of your DAKA GRID Organizer and DAKA Hard Cases by adding better stability and new storage configurations for gear that doesn't lay flush in your case or needs extra support. The kit includes two double V-Blocks and two triple V-Blocks constructed from our impact-resistant Expanded Polypropylene. Both blocks feature a V-shaped channel that runs down the center, providing better stability and a custom fit for barrels and other equipment that doesn't lay flat against the bottom of the case. Features Added stability and custom fit for barrels and other like items Expanded DAKA GRID Organizer and DAKA Hard Case configurability Compartmentalize and protect more of your gear Lightweight, durable, non-absorbent, and chemical resistant

DAKA® VBLOCK AND ANGLED KITS MAGPUL DAKA VBLOCK KIT BLACK Safety Instruction Guide

Introduction

Thank you for purchasing the Magpul DAKA® VBlock Kit. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the VBlock Kit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the VBlock Kit before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify or attempt to repair the VBlock Kit.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the VBlock Kit only with compatible DAKA GRID Organizers and DAKA Hard Cases.
- Ensure that all equipment placed in the VBlock Kit is securely positioned and does not exceed the weight limit specified in the product documentation.
- Avoid placing items that may cause damage or pose a risk to the integrity of the VBlock Kit.
- When using the VBlock Kit, ensure that it is stable and properly supported to prevent accidental tipping or falling.
- Use caution when handling sharp or heavy equipment to prevent injury.

Instructions for Installation and Usage

1. Unboxing the Kit

- Carefully remove the VBlock Kit from the packaging.
- Inspect all components for damage or defects.

2. Installing the VBLOCKS

- Identify the location where you will be using the VBlock Kit within your DAKA GRID Organizer or DAKA Hard Case.
- Place the double and triple VBLOCKS in the desired configuration, ensuring they fit securely within the organizer or case.
- Adjust the positioning of the VBLOCKS as needed to accommodate your gear.

3. Loading Gear

- Place your equipment into the Vshaped channels of the VBLOCKS.
- Ensure that items are positioned securely and do not protrude beyond the edges of the blocks.
- For optimal stability, distribute weight evenly across the VBLOCKS.

4. Securing the Case

- After loading your gear, securely close the DAKA GRID Organizer or DAKA Hard Case.
- Ensure that all latches and closures are properly fastened.

Disposal Instructions

- Dispose of the VBlock Kit in accordance with local regulations for plastic waste.
- Do not incinerate the product or components as they may release harmful substances.
- If the product is damaged and cannot be reused, contact your local waste management authority for proper disposal guidance.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact details provided with your product.

Thank you for your attention to these safety guidelines. Enjoy the enhanced functionality and organization provided by your Magpul DAKA® VBlock Kit.
