

MK2 CHARGING HANDLE - BRAVO COMPANY BCM MK2 MEDIUM LATCH AMBIDEXTROUS CHARGING HANDLE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

BCM® Mk 2 CHARGING HANDLES IMMEDIATE ACTION Driven by over a decade of feedback from real-world combat operations, BCM has made continual design refinements and structural improvements to the charging handle in the M4 and M16 to address the current manual of arms for the weapon system. Optimizing the contours into a snag-free profile that facilitates immediate manipulation with an end user's reaction side grip, the range of BCM Charging is available with both ambidextrous and asymmetric controls as well as a size range to accommodate different end-users handsizes. MK 2 RECEIVER OPTIMIZED The U.S. patents pending BCM Mod 3 Charging Handle now features upper and lower and side exhaust channels to vent gas from the chamber away from the shooter during operation of the weapon. While these channels are optimized for the BCM MK2 Upper receiver, they still provide improved gas diversion on all Mil-Spec upper receivers. LIFESAVING TOOLS Redesigned to eliminate the load on the pivot pin and keep the energy from charging close to the centerline of the carbine/rifle, BCM Mk 2 Charging Handles provides an uninterrupted engagement surface with no pinch points to catch skin or other material that could induce a malfunction during a time-is-life manipulation. A patented ambidextrous design with simplified mechanism for robust performance, each Charging Handle is crafted with MIL-SPEC grade forgings and machined from 7075 T6 aluminum, with a hard coat anodized finish per Mil-A-8625F, Type III, Class 2. MADE IN AMERICA All BCM components and accessories unite state of the art manufacturing with lightweight and durable materials to ensure components that last a lifetime, performing far beyond performance requirements established nearly six decades ago.

Attributes

- Name: [BRAVO COMPANY BCM MK2 MEDIUM LATCH AMBIDEXTROUS CHARGING HANDLE](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430106549
- Mfr. No.: BCM-GFH-MK2-MED-AMBI
- Delivery weight: 0.113kg
- Shipping height: 25mm
- Shipping width: 127mm
- Shipping length: 229mm
- UPC: 812526023797

MK2 Charging Handle Safety Instruction Guide

Introduction

Thank you for choosing the BCM Mk 2 Charging Handle. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use to understand the safety precautions, installation instructions, and proper disposal methods.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the charging handle with care to avoid injury.
- Keep the charging handle out of reach of children and vulnerable individuals.
- Regularly inspect the charging handle for any signs of wear or damage.
- If you notice any irregularities or malfunctions, discontinue use immediately and contact support.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or using the charging handle.
- Use the charging handle in a safe environment, free from distractions and hazards.
- When manipulating the charging handle, maintain a firm grip to avoid slips.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Avoid using excessive force when operating the charging handle to prevent damage to the firearm or the handle itself.
- If you are unfamiliar with the operation of firearms, seek guidance from a qualified instructor before use.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Charging Handle:** If applicable, remove the existing charging handle by following the manufacturer's instructions for disassembly.
3. **Position the MK2 Charging Handle:** Align the BCM Mk 2 Charging Handle with the receiver.
4. **Secure the Charging Handle:** Insert the charging handle into the designated slot and ensure it is seated properly.
5. **Test Functionality:** Pull the charging handle back to ensure it operates smoothly and without obstruction.

Usage Instructions

- To operate the charging handle, grasp it firmly with your dominant hand.
- Pull the handle to the rear to chamber a round or clear the chamber.
- Release the handle to allow it to return to its original position.
- Practice using the charging handle in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for metal and firearm accessories.
- Do not throw the charging handle in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please consult the manufacturer's website or contact their customer service directly.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Please use the BCM Mk 2 Charging Handle responsibly and in compliance with all applicable laws and regulations.
