

# ACTION ENHANCEMENT KIT FOR STANDARD/SLIM FRAME GLOCK® - APEX TACTICAL SPECIALTIES INC POLYMER ACTION ENHANCEMENT TRIGGER KIT SLIM FRAME PURPLE

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for standard frame Slim Frame Glock® pistols features the Apex Polymer Action Enhancement Trigger, with Apex Trigger Bar, and Performance Connector. The kit is a direct drop-in replacement of the factory trigger, trigger bar and connector, this kit provides for a smoother trigger pull with reduced travel, reduced reset, and a crisp break at 4.5lbs (Average). The Trigger Bar and Trigger Connector are coated in Nickel-Teflon for a lifetime of smooth operation and corrosion resistance. 100% made in the USA. Expected Results: Direct drop-in replacement of factory polymer trigger and connector. Smooths uptake and reset. Reduces trigger pre-travel, overall travel and reset distance. Crisp trigger break at 4.5lbs. Center mounted pivoting safety maintains factory safety values. Applicable to What Guns: For use in the following Glock® pistols: G43, G43X, G48 NOT for use in the Glock® 42

# Action Enhancement Kit Safety Instructions

## Introduction

Thank you for choosing the Action Enhancement Kit for Standard/Slim Frame Glock® pistols by Apex Tactical Specialties Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the Action Enhancement Kit is compatible with your specific model of Glock® pistol (G43, G43X, G48).
- Always handle firearms with care and follow all safety procedures.
- Use the Action Enhancement Kit only as directed in this manual.
- Keep the kit and all firearms out of reach of children and unauthorized users.
- Regularly inspect the kit for wear and damage. Do not use if any components appear compromised.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the firearm is unloaded before beginning installation.
  - Work in a clean, welllit environment to avoid losing small parts.
- **Usage Precautions:**
  - Always verify that the safety features of your firearm are functioning correctly after installation.
  - Do not modify the kit or any components beyond the provided instructions.
  - Be aware of the trigger pull weight of 4.5lbs and practice safe handling to avoid accidental discharge.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.

## Instructions for Installation and Usage

1. **Preparation:**
  - Ensure the firearm is completely unloaded.
  - Gather necessary tools for installation (screwdriver, punch, etc.).
2. **Installation Steps:**
  - Remove the factory trigger, trigger bar, and connector from the firearm.
  - Install the Apex Polymer Action Enhancement Trigger in place of the factory trigger.
  - Attach the Apex Trigger Bar and Performance Connector following the manufacturer's instructions.
  - Ensure that all components are seated properly and that the trigger functions smoothly.
3. **PostInstallation Checks:**
  - After installation, perform a function check to ensure the trigger operates correctly.
  - Check that the centermounted pivoting safety is functioning properly.
4. **Usage:**
  - Familiarize yourself with the new trigger feel before using the firearm in a live setting.
  - Practice safe shooting habits and maintain awareness of your surroundings while using the firearm.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the Action Enhancement Kit is no longer in use, follow local guidelines for the disposal of polymer and

metal components.

- Do not throw away the kit in regular household waste. Consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or support regarding the Action Enhancement Kit, please refer to the manufacturer's website or contact their customer support directly.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount. Enjoy the enhanced performance of your Glock® pistol with the Action Enhancement Kit!
