

# MOE PR CARBINE STOCK - MAGPUL MOE PR COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MOE PR is a full-size carbine stock that blends the simplicity of the legacy MOE Carbine stock with design lines reminiscent to the PRS® Lite. These similarities naturally incorporate some of the features found on the PRS Lite, including a rest on the front edge of the stock for the support hand, allowing shooters to apply rearward pressure on the MOE PR to drive the stock securely into the shoulder for precise shot placement. The slim nature of the stock's geometry also reduces weight, and the bottom of the stock's frame also serves as a bag rider. With the M-LOK slot molded into the rear of the stock, shooters can attach a sling using the slot as a footman's loop or by adding an M-LOK® QD Sling Mount to one or both sides of the M-LOK slot. The MOE PR stock can use all CTR® Cheek Risers to provide a personalized, consistent cheek weld, but they Primarily used for non-AR style firearms. Made in the USA Minimalist, lightweight design Support-hand rest on front strap to minimize movement Bottom support acts as a bag rider for shooting rests CTR Cheek Riser compatible M-LOK slot for QD Sling Mount/footman's loop COMPATIBILITY For use with Mil-Spec carbine receiver extensions. Can be used with all CTR Cheek Risers and won't interfere with single-point slings attached to an ASAP or ASAP QD receiver end plate.

# MOE PR Carbine Stock Safety Instruction Guide

## Introduction

Thank you for choosing the MOE PR Carbine Stock by MAGPUL. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm before use.
- Always handle firearms with care and treat them as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store the MOE PR Carbine Stock and your firearm securely when not in use.
- Regularly inspect the stock and firearm for any signs of wear or damage.
- Always follow local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommendations for weight or use.
- Ensure that the stock is securely attached to the carbine receiver extension before use.
- Avoid using the stock in a manner that could cause it to become loose or detached.
- Do not modify the stock in any way that could compromise its structural integrity.
- Always use the stock with the appropriate cheek risers for a proper cheek weld.
- Be aware of your surroundings and ensure that no one is in the line of fire when using your firearm.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the carbine receiver extension.
- Align the MOE PR Carbine Stock with the receiver extension.
- Securely fasten the stock using the provided hardware, ensuring it is tight and stable.
- If using a CTR Cheek Riser, follow the manufacturer's instructions for attachment.

### 2. Usage

- Position the stock against your shoulder for stability.
- Use the support hand rest on the front strap to minimize movement while aiming.
- Utilize the MLOK slot for attaching a sling or other accessories as needed.
- Practice safe shooting techniques and be mindful of your grip and positioning.

## Disposal Instructions

- Dispose of the MOE PR Carbine Stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- Check with local waste management for specific guidelines on disposal of polymer materials.

## Contact Information for Further Support

For any inquiries regarding safety, product compatibility, or concerns about your MOE PR Carbine Stock, please reach out to your local MAGPUL distributor or retailer. They can provide assistance and guidance as needed.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your MOE PR Carbine Stock. Always prioritize safety and stay informed about best practices in firearm handling and maintenance. Thank you for your commitment to safety and responsible firearm use.
